**“Electrical Equipment”
TSC RFP 20-04**

In submitting this proposal, I agree:

1. To hold price open for a period of ninety (90) days after the opening date.
2. To enter into and execute a Purchase order/contract with the Texas Southmost College, if awarded on the basis of the proposal, and to furnish Bonds if required, in accordance with the owner’s requirements and instructions.
3. To accomplish the work in accordance with the statement of work, description of services, and other terms provided including labor, supplies, and materials necessary.

Alternate Equipment: A potential Respondent can provide an equal product of the same/similar characteristics and functionality. Alternate products will be accepted upon review and approval of College staff. All alternate product information should be provided such as manuals and meet the specifications listed on this RFP.

Multiple awards: One or more Respondents can be selected for one or any other lot or for all of the lots. Based on the proposals received, the College will also reserve the right to “hand-pick” best options from all lots. If the College awards a contract, it will award the contract to the Respondent(s) whose proposal (s) is considered to be the most competitive and best value for the College.

Having carefully examined the scope of work and requirements of this RFP and any attachments thereto, the undersigned process to provide requested services as required in the following amount. TSC is a tax exempt institution.
