# Saving Exported ExamView QTI Files to Respondus

1. Locate the QTI file exported from ExamView.

2. Extract the contents of the .zip folder. **Take note of where the extracted file is located.**

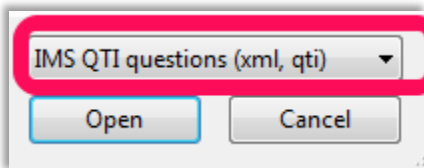

3. In Respondus, click the **Open** button.

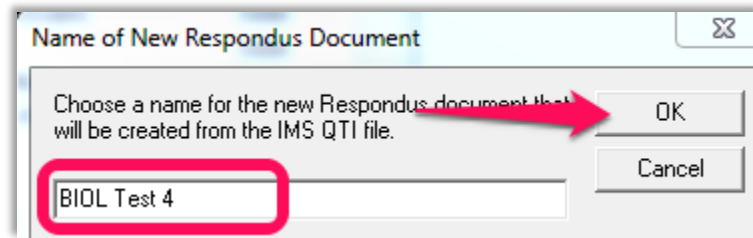

4. Click **Browse**.

5. Change the file type to **IMS QTI questions** in the lower-right hand side of the window.

6. Find the folder that was **extracted** from the QTI folder.
7. Enter the sub-folders "Test File Names" > QIZ0M> Data.
8. Locate the file "questionDB" and then click open.

Name	Date modified	Type	Size
properties_QIZ_0_A	6/15/2017 3:19 PM	XML Document	3 KB
questionDB	6/15/2017 3:19 PM	XML Document	56 KB
quiz_QIZ_0_A	6/15/2017 3:19 PM	XML Document	3 KB

estionDB   IMS QTI questions (xml, qti)

Open   Cancel

9. Title the file in the "Name of a New Respondus Document", then click **Ok**.

Name of New Respondus Document

Choose a name for the new Respondus document that will be created from the IMS QTI file.

OK

Cancel

BIOL Test 4

10. The file is now saved. You can open the Respondus file to preview the questions.
