

**Child Care and Development
Certificate of Proficiency – Level One**

Texas Southmost College
Health Care, Career and Technical Education Division

The Child Development Early Childhood (CDEC) program is designed to provide instruction and field experience necessary for successful care and guidance of young children from birth to five years of age. Emphasis is on the importance and need for early childhood education and quality care of our children. The Child Development Early Childhood (CDEC) program, an Occupational/Technical program, is in the division Health Care, Career and Technical Education. Students completing the CDEC program are prepared to work with children in child care centers, preschools, family care homes, Head Start and early intervention programs.
