Consideration and Approval of
Selection of a Company to Provide
Security Services for TSC Campus

Chairman Rendon called on Mr. Chet Lewis, Vice President for Finance and Administration to present the item. Mr. Lewis reported that Texas Southmost College (TSC) conducted a Request for Proposal (RFP) process for campus security services. The newspaper advertisements were published on Sunday, September 29th and October 6, 2013. A pre-proposal conference was held on Monday, October 7, 2013. The RFP deadline was Monday, October 14, 2013.

The RFP called for a list of general requirements and qualifications including ability to provide services to TSC, qualifications, project team and management expertise and references. Proposals were received from Allied Barton Security Services, International Protection, Inc., Flores Investments, Inc. DBA American Investigations & Security International, Fort Knox Protection, Inc., ISA, Valley Wide Security, American Surveillance Co., Chambers Protective Service DBA Border Security and Investigations, Arrow Security and All Pro Security Services. The evaluation criteria consisted of the following: (1) Services to TSC; (2) Project Team and Management; (3) References; and (4) Cost of Goods and Services.
The scope of work in the RFP for campus security services include: vandalism, theft and fire prevention, facilities, grounds and parking lots patrols, building lock-up, unlocking rooms, emergency system monitoring, maintaining written reports as required, verbal/telephone notification, responding to critical incidents as needed, and contacting local police services as deemed appropriate. Additionally, the RFP stipulates that the awarded contractor will provide qualified employees, including armed/unarmed security officers during the times and locations to be agreed upon by TSC and for other events and occasions as required.

The initial contract term is for one year plus two one year renewable options and an additional one year renewable option at the College’s discretion.

A motion was made by Mr. Hinojosa to select the best valued American Surveillance to Provide Security Services for the TSC Campus and to authorize the President to execute the contract as presented. The motion was seconded by Mrs. Garza and failed. Mr. Rendon abstained from the vote. Mr. Hinojosa and Mrs. Garza voted in favor of the motion. Mr. Mendez, Dr. García and Mr. Torres voted nay.

A motion was made by Mr. Torres to select American Investigation and Security International for a one year contract with an option to continue with the company as TSC revisits after a year to Provide Security Services for the TSC Campus and to authorize the President to execute the contract as presented. Consideration and Approval of Proposal for Maintenance Services of TSC Campus Thermal Plants

Chairman Rendon called on Mr. Lewis to present the item. Mr. Lewis reported that TSC has requested a proposal for maintenance services of the TSC campus Thermal Plants located in the main Fort Brown campus and ITEC campus through a TIPS/TAPS Contract. The proposal received from PROTECH Mechanical, Inc. is to provide preventative maintenance services by providing operational & comprehensive inspections of the equipment & devices of the Thermal Plants.
TIPS/TAPS is a program that serves state and local government institutions by conducting bidding processes according to the requirements established by the State of Texas. Staff has verified that PROTECH Mechanical, Inc. is an awarded vendor for TIPS/TAPS and that is authorized to sell under this contract.

A motion was made by Mr. Torres to approve the proposal from PROTECH Mechanical, Inc. to provide maintenance services of TSC Campus Thermal Plants in the amount of $47,850 and authorize the President to execute the contract as presented. The motion was seconded by Mr. Mendez and carried unanimously. Exhibit “C”

10. Approval of Purchase of HVAC Automation Control Software for TSC Facilities

Consideration and Approval of Purchase of HVAC Automation Control Software for TSC Facilities

Chairman Rendon called on Mr. Lewis to present the item. Mr. Lewis stated that, currently, The University of Texas at Brownsville operates a Siemens Industry software that provides remote access control and monitoring to the HVAC system. This system operates a significant amount of facilities, including the TSC Thermal Plants. An acquisition of a similar license will allow TSC to manage this system for TSC buildings.

TSC has requested a proposal for HVAC automation control software for TSC facilities through a TXMAS contract. The proposal received from Siemens Industry includes database server, software and required modifications. This is the only system compatible with all of the existing HVAC communication boards, sensors and control devices currently installed throughout TSC facilities.

TXMAS is a program that serves federal, state and local government institutions by conducting bidding processes according to the requirements established by the State of Texas. Staff has verified that Siemens Industry Inc. is an awarded vendor for TXMAS and that is authorized to sell under this contract.

Consideration and Approval Resolution Authorizing the Defeasance of the Southmost Union Junior College District Student Union Building Fees Revenue Refunding Bonds, Series 2005; Entering into an Escrow Agreement; and Other Agreements and Matters Related Thereto

Chairman Rendon called on Mr. Lewis to present the item. Mr. Lewis reported that the sale of the Student Union is included in the approved letter of intent between TSC and the University of Texas System. To proceed with and complete the sale transaction, TSC must defease the existing bond indebtedness related to the Student Union building.

The proceeds from the sale and the existing debt retirement fund for the Student Union building will be used to defease the $6,160,000 of outstanding principal related to bonds. The bonds will be defeased by establishing an escrow fund to provide adequate resources to service all required debt service while the bonds are outstanding and retire the bonds by exercising the optional redemption. The earliest bonds may be called is August 15, 2015 or on any date thereafter.

Mr. Lewis said that the Student Union Building Fee is $45.30 per semester. He said if approved TSC will be able to eliminate the fee in the spring semester.

A motion was made by Dr. García to approve a resolution authorizing the defeasance of the Southmost Union Junior College District Student Union Building Fees Revenue Refunding Bonds, Series 2005; entering into an escrow agreement; and other agreements and matters related thereto as presented. The motion was seconded by Mrs. Garza and carried unanimously, Exhibit “H”
