Mr. Lewis presented two documents regarding the appointment of an Election Agent and the hiring of a consultant to assist with administering the Election. Mr. Lewis reminded the Board that the County does not anticipate running the TSC election as in previous years, and since TSC does not have the experience or the expertise, staff is recommending that a consultant be hired to administer the election on behalf of TSC. The Secretary of State’s Office has been contacted regarding possible qualified consultants. The District will weigh all options and bring forth the best option for administering the election.

District in the same capacity as the county has in the past. Dr. Lozano requested
that the motion be amended to include the Board to approve the consultant for
this process. Mr. Lewis informed the Board that the Brownsville Navigation
District does not anticipate using an outside consultant; however, as the elections
process progresses, the BND will be consulted and asked to share costs.

were three community summits, held in the cities of Brownsville, Los Fresnos and

held by sector, which included Healthcare, Services Retail, Manufacturing
logistics, and Financial Services. The focus group sessions were in partnership
