Notice of Public Hearing on Tax Increase

The TEXAS SOUTHMOST COLLEGE DISTRICT will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 4.911851 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax calculated under Chapter 26, Tax Code). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on August 28, 2008 at 5:00 PM at Gorgas Board Room, Texas Southmost College.

The second public hearing will be held on September 8, 2008 at 5:00 PM at Gorgas Board Room, Texas Southmost College.

The members of the governing body voted on the proposal to consider the tax increase as follows:

FOR: Chester Gonzalez, Rosemary Breedlove, Eduardo A. Campirano, David Oliveria, Adela Garza, Rene Torres, Roberto Robies

AGAINST: 

PRESENT and not voting: 

ABSENT: 

The average taxable value of a residence homestead in TEXAS SOUTHMOST COLLEGE DISTRICT last year was $88,676. Based on last year’s tax rate of $0.161089 per $100 of taxable value, the amount of taxes imposed last year on the average home was $142.85.

The average taxable value of a residence homestead in TEXAS SOUTHMOST COLLEGE DISTRICT this year is $91,477. If the governing body adopts the effective tax rate for this year of $0.153547 per $100 of taxable value, the amount of taxes imposed this year on the average home would be $140.46.

If the governing body adopts the proposed tax rate of $0.161089 per $100 of taxable value, the amount of taxes imposed this year on the average home would be $147.36.

Members of the public are encouraged to attend the hearings and express their views.

Minutes of the Regular Meeting of the Board of Trustees

June 25, 2008

The Board of Trustees of the Texas Southmost College District convened in open session on June 25, 2008, at 5:30 p.m., in the Free Speech Area, behind Gorgas Hall, Texas Southmost College. Board members present were Mr. Chester Gonzalez, Chair, Mr. Eduardo A. Campirano, Secretary, Dr. Roberto Robles, Mr. David Oliveira, Mr. Rene Torres, and Ms. Adela Garza. Absent was Ms. Rosemary Breedlove, Vice Chair. Also present was Dr. Juliet V. García, President of The University of Texas at Brownsville and Texas Southmost College.

Call to Order

The meeting was called to order by Chairman Gonzalez at 5:30 p.m.

1. Announcements

Chairman Gonzalez announced the recognition of two of our Trustees for their outstanding work in the community.

Mr. Torres was selected locally to receive the “Jefferson Award for Public Service,” and attended the National Ceremony in Washington, D.C., in June 2008.

Dr. Roberto Robles was the honoree for the “Leadership Award,” presented during the Timeless Values Reception sponsored by the Rio Grande Council of the Boy Scouts of America on June 12, 2008. Dr. Robles was the sixth recipient to receive this award.
2. Resolution

Chairman Gonzalez stated that on May 21st, 2008, Ernesto Gamez suffered a heart attack that could have been fatal if not for the heroic efforts of Albert Barreda, Oseas Cantu, Dr. Phillip Conaster, and Dr. Susan Hart. He stated these four individuals used their expertise and responded quickly, using CPR and other life saving measures that saved Mr. Gamez’s life.

On behalf of the Texas Southmost College Board of Trustees, Mr. Gonzalez read and presented the resolution to heroes Albert Barreda, Oseas Cantu, Dr. Phillip Conaster and Dr. Susan Hart for their heroic life-saving efforts. He also introduced Mr. Gamez and his family, who were present in the audience.

Dr. Robles recognized Dr. Jaime Gomez, Mr. Gamez’s presiding physician, who was also present.

Consideration and possible action on adoption of a resolution honoring heroes

A motion was made by Mr. Campirano to adopt the resolution honoring heroes Albert Barreda, Oseas Cantu, Dr. Phillip Conaster, and Dr. Susan Hart. The motion was seconded by Dr. Robles and carried unanimously.  Exhibit “A”

3. Board Briefing Bond Retirement Report

Mr. Gonzalez called on Dr. Garcia to introduce a video recognizing former TSC Trustees who served from 1986 to present: among them Michael Putegnat, Mary Rose Cardenas, and Mervyn Mosbacher.

Joining us for this celebratory event were Paul Davis and Robert Henderson. Mr. Davis, lead architect with Marmon Barkley Souter Foster & Hays of San Antonio, was the project architect who directed the construction. Mr. Henderson was one of the financial advisors who participated in the 1986 bond sale. He also participated in the presentations to the rating agencies.

Dr. David Pearson, Vice President for Partnership Affairs, introduced Anne Burger Entrenkin of First Southwest Company for additional comments on the bond retirement.
4. District Elections

Dr. Pearson called on Allan Peakes, Election Agent, for the TSC District, who provided the *Canvassing the Results* report of the TSC District run-off election held on June 14, 2008.

**Consideration and possible action on the canvassing the results of the TSC District run-off election**

A motion was made by Mr. Oliveira to accept the results of the TSC District election as presented. The motion was seconded by Dr. Robles and carried unanimously. *Exhibit “B”*

**Consideration and possible action on the order declaring results of the TSC District run-off election**

A motion was made by Mr. Oliveira to adopt the order declaring results of the TSC District election as presented. The motion was seconded by Mr. Torres and carried unanimously. *Exhibit “C”*

The Certificate of Election was signed and presented to Ms. Adela Garza.

5. Administering Oath of Office for Elected Members

Chairman Gonzalez announced the swearing in of two new members of the Board of Trustees of the Texas Southmost College District, Rene Torres, Place 2, and Adela Garza, Place 1.

Mr. Torres was sworn into office by the Honorable Judge Arturo McDonald. Ms. Garza was sworn into office by the Honorable Judge Arturo Nelson. A reception at the Free Speech Area, behind Gorgas Hall, followed the ceremony. The regular Board meeting reconvened in the Gorgas Board Room.

9. Speakers to Agenda Items and Public Discussion

There were no speakers.

10. Early College High School

Dr. Charles Dameron provided a report on Early College High School. He reported that the project was initiated by The Bill and Melinda Gates Foundation. It is a national program that helps under-privileged students succeed through an intensive early college program of study. The program is in its preliminary stages and is jointly incorporated by UTB/TSC and the Brownsville Independent School District. Dr. Dameron added that both partners have been responsible for the selection process of the students, staff, and administration, and that 113 incoming freshman students from BISD were chosen to participate in the program. These Brownville Early College High School (BECHS) students will attend the first two years of high school and then transition to college level courses on the main UTB/TSC campus for their junior and senior years. Upon graduation they will receive both their high school diploma and an Associate Degree. The Memorandum of Understanding specifies that BISD will be responsible for the first two years and UTB/TSC will take responsibility for the following years. BISD has invested $1 million at its Clearwater Campus, and the expectation is that the Economic Development Agency will provide funding for the renovation of the ITEC Campus which would then be used for the first two years of the program.

Dr. Dameron called on Dr. Salvador Cavazos, Assistant Superintendent for BISD, to address concerns expressed by several Board members. He emphasized that UTB/TSC was involved in the interviewing and selection of students. He added that the main requirement for students to qualify was that they had to be first generation college students. Dr. Cavazos also noted that if there were delays, or difficulties in making the ITECC available for BECHS, BISD would to continue to utilize the Clearwater Campus. Dr. Cavazos also informed the Board that BISD was committed to offer transportation to and from campuses to students who opted to participate in extracurricular activities.

No action necessary.

11. Trustee Scholarship

Motion was tabled.
12. Physical Facilities Partnership Committee

Report

Dr. Robles reported that the Physical Facilities Committee met on June 24, 2008. The committee discussed the approval of the funding allocation for construction projects and a change order to the contract with SpawGlass Contractors for the renovation project at the ITEC Campus. The committee recommended the following items:

Consideration and possible action on funding allocation for construction projects

Dr. Robles reported that the funding allocation summary outlines budgets for the construction projects and the various funding sources. The previous funding allocation was approved by the Board in November 2007, and is being updated to incorporate funds that will become available from the 2008 bond sales.

A motion was made by Dr. Robles to approve the funding allocation for construction projects as presented. A motion was seconded by Ms. Garza and carried unanimously. Exhibit “J”

Consideration and possible action on the change order to the contract with SpawGlass Contractors for the renovation project at the ITEC Campus.

Dr. Robles reported that the proposed main entrance design for the ITEC Campus called for two phases of construction. Phase I involves the main entrance structure, and Phase II a flanking arcade reminiscent of the historic Fort Brown architecture. Phase I is being recommended.

A motion was made by Dr. Robles to approve the change order to the contract with SpawGlass Contractors Inc., and authorize the Assistant Vice President for Planning and Construction to execute the change order in the amount of $70,000. A motion was seconded by Mr. Oliveira and carried unanimously. Exhibit “K”

Consideration and possible action on change order to the contract with J.E. Dunn/Terry Ray, a joint venture partnership, for construction of the Recreation, Education, and Kinesiology Center.
Dr. Robles reported that, although the REK Center is in the final stages of construction, it has experienced construction escalation caused by ambiguities in the construction documents. The proposed change order will increase the owner’s contingency in the amount of $1,732,698. The additional funding is necessary to mitigate any additional impacts, maintain project schedule, and fund the addition of a six-lane, twenty-five yard National Council Athletic Association (NCAA) swimming pool. The required funds are available from interest earnings from the REK Center Bonds.

A motion to approve the change order to J. E. Dunn/Terry Ray Construction, a joint venture partnership; and authorize the Assistant Vice President for Planning and Construction to execute the change order in the amount of $1,732,698. The motion was seconded by Mr. Campirano and carried unanimously. Exhibit “L”

Consideration and possible action on approval of purchase of furniture for the ITEC Campus renovation and the Recreation, Education, and Kinesiology Center.

Dr. Robles reported that the owner procurement of materials was identified as one of the cost control strategies for the bond projects. Workplace Resource is the recommended supplier. They participate in the TexMass agreement, allowing us to contract with them directly, and take advantage of bulk pricing.

A motion was made by Dr. Robles to approve the purchase of furniture for the ITEC Campus renovation and the Recreation, Education, and Kinesiology Center to Workplace Resource in the amount of $720,120., and authorize the Assistant Vice president for Planning and Construction to execute the contract. The motion was seconded by Ms. Garza and carried unanimously. Exhibit “M”

13. Business Affairs Partnership Committee

Mr. Campirano reported that the Business Affairs Partnership Committee met on June 17, 2008. Several items were discussed:

Mr. Campirano reported on the First Reading of Board Policy V-D Investment, informing the Board that per the Public Investment Act, The District is required to review its Investment Policy on an annual basis. He reported that there are no changes being proposed, and that no action is required.
Mr. Campirano, then introduced Melba Sanchez, Assistant Vice President for Finance to present the TSC District Budget for fiscal year 2008-2009. Ms. Sanchez described the funding allocations that provide instructional services in partnership with UTB. She also discussed budget allocations for scholarships, capital improvements and deferred maintenance, insurance, fund reserves, property acquisition, and for the bond projects. The Budget will be presented for a second reading at the August Board meeting. No action required.

Ms. Sanchez also informed the Board that there is a budgetary surplus for the current fiscal year year. Mr. Campirano recommended that the surplus should only be used for student scholarships and the form they take should be decided by the Board at a future meeting.

Mr. Campirano reported that the committee also reviewed the UTB/TSC Partnership Budget for FY 2008-2009. He noted that Rosemary Martinez, Vice President for Business Affairs, would be presenting the Partnership Budget at the next Board meeting, since she was out of town representing the President at a Senate Hearing.

14. Bond Issuance

Dr. David Pearson, Vice President for Partnership Affairs, stated that in September 2004 the voters approved a $68 million bond election for the construction of various projects on campus. The bonds are being sold in a series of five issuances and this is the 4th issuance.

Dr. Pearson introduced Anne Berger-Entrekin of First Southwest Company to provide an update on the current bond market and its volatility during the previous years. Daniel Martinez, Bond Counsel, was also in attendance.

Consideration and adoption of an order authorizing the issuance of “Texas Southmost College District Limited Tax Bonds, Series 2008”; entering into a bond purchase agreement and a paying agent/registrar agreement; approving an official statement; and authorizing and approving other matters related thereto.

A motion was made by Dr. Robles to approve the order authorizing the issuance of the TSC Tax Bonds, Series 2008. The motion was seconded by Mr. Torres and carried unanimously. Exhibit “N”
Resolution authorizing the issuance of
“Texas Southmost College District Maintenance Tax Notes,
Series 2008”; entering into a purchase contract and a paying
agent/registrar agreement; approving an official statement;
and authorizing and approving other matters related thereto.

A motion was made by Mr. Campirano to adopt the resolution
authorizing the issuance of the “TSC District Maintenance Tax
Notes, Series 2008.” The motion was seconded by Mr. Oliveira
and carried unanimously. Exhibit “O”

15. Construction Report

Dr. Pearson reported the following:

- Work is nearing completion on two parking lots on Jackson Street in the
  areas of 21st and 24th Street. He said that parking lot striping will be
  completed within the next week, and that landscaping irrigation is complete.
- Construction continues in the Cavalry Building wing designated for use by the
  Center for Gravitational Wave Astronomy. The walls have been painted and
  the wainscoting installed.
- Renovation on the Commandant’s Quarters continues. The two chimneys
  were completed and siding and windows are being installed.
- Demolition is almost complete on the Commissary Building. Beams are now
  exposed and additional space is being constructed for the air conditioning.
- The abatement at the Newman Center is complete.

Ms. Mendez reported the following:

- Structural steel is installed and completed on the first floor of the New
  Library and Classroom Building, and work continues on the 2nd floor. The
  building should be ready for “topping off” in mid-July 2008.
- Construction continues at the REK Center. The jogging track has been
  completed and installation of brick, air conditioning, and the railing for the
  track are in progress.
- Construction continues at the Arts Center. Additional piers and water and
  sewer lines are installed. On May 22nd, the IBC Board visited the Orchestra
  Pit.
- Interior renovation of the ITECC continues. Framing is completed, and the
  detailing of the arcades are almost complete.
- KRGV-TV Channel 5 reported on the REK Center in their People’s Stories
  weekly programming.
• On June 24, 2008, the official groundbreaking ceremony for the Early Childhood Studies was held at the construction site.

16. Presidents Report

Minutes of the Special Meeting of the Board of Trustees

August 15, 2008

The Board of Trustees of the Texas Southmost College District convened in open session August 15, 2008, at 2:12 p.m., in the Board Room of Gorgas Hall, Texas Southmost College. Board members present were Mr. Chester Gonzalez, Chair, Ms. Rosemary Breedlove, Vice Chair, Mr. Eduardo A. Campirano, Secretary, Dr. Roberto Robles, Mr. David Oliveira, Mr. Rene Torres, and Ms. Adela Garza. Also present was Dr. Juliet V. García, President of The University of Texas at Brownsville and Texas Southmost College.

Special Meeting

Call to Order

The meeting was called to order by Chairman Gonzalez at 2:12 p.m.

1. Tax Rate

Consideration and possible action on
Texas Southmost College District 2008 Ad Valorem Tax Rate

Dr. David Pearson, Vice President for Partnership Affairs, reported that the operating budget for the District is funded by ad valorem tax revenues, and that the District has drafted a budget to cover its needs for the upcoming fiscal year. He added that the taxes necessary to cover the budget would require a proposed tax rate that exceeds the effective rate, and must be approved by the Board. The District’s operating budget funds scholarships, capital improvements, deferred maintenance, insurance, and administration.

Dr. Pearson introduced Ms. Melba Sanchez, Assistant Vice President for Finance, to make a presentation regarding the proposed 2008 tax rate for the Texas Southmost College District. Ms. Sanchez reported that in order to fully fund the preliminary TSC District budget for fiscal year 2009, the Board must adopt a
maintenance and operations tax rate of 0.110614 and a debt tax rate of 0.050475 per $100 valuation.

Ms. Sanchez explained that while the District’s posting in accordance with truth in taxation would appear to raise taxes, the reality is that adopting the current tax rate would not raise the current tax rate. Mr. Torres asked that a press release be prepared to explain the truth in taxation process to the community. Mr. Oliveira and Mr. Campirano concurred that a press release would serve to address concerns raised by the community and prevent any false assumptions in regard to adopting the current tax rate.

A motion was made by Mr. Oliveira to propose that a maintenance and operations tax rate of $0.110614 and a debt tax rate of $0.050475 per $100 valuation be placed on the agenda for adoption at the September 18, 2008, Board meeting as presented. The motion was seconded by Mr. Campirano and carried unanimously.

Consideration and possible action on Setting Dates for Public Hearings

A motion was made by Ms. Breedlove to propose that the public hearings on the proposed 2008 Ad Valorem Tax Rate be held on Thursday, August 28, 2008, and Monday, September 8, 2008, at 5:00 p.m., in the Gorgas Board Room on the UTB/TSC Campus. The motion was seconded by Mr. Torres and carried unanimously.

Adjournment

The meeting was adjourned by Chairman Gonzalez at 2:40 p.m.

APPROVED BY BOARD OF TRUSTEES: December 18, 1985

LAST AMENDED BY BOARD: August 30, 2007

POLICY:

INVESTMENT

1. This policy shall be reviewed annually in accordance with provisions of the Public Funds Investment Act chapter 2256 as it now may be amended.

2. This policy is meant to be in compliance with such Act and any other law or statute specifically related to the “Investment of Public Funds,” under the control of this entity.

3. The Investing Officers for Texas Southmost College District shall be listed by position.
   a. Any persons employed in the following positions are hereby appointed to act on behalf of this entity as “Investment Officer”:
      i. Vice President for Partnership Affairs
      ii. Assistant Vice President for Finance
      iii. Director of Finance
      iv. Anyone else the Board may appoint from time to time by official resolution.

4. The Investment Officers shall be required, within twelve (12) months of taking office, and once every two years, to attend at least one (1) training session related to the Officers’ responsibilities containing at least 10 hours of instruction.

5. The governing body will establish the qualification and capabilities of the Investment Officers which will be subject to change from time to time. The current qualifications and required capabilities are the required annual training in investment management and process.

6. The only other persons who are authorized to transact any investment business for the entity are those individuals who are instructed by the Investment Officers to facilitate the efficient handling of the investment portfolio. Any other person must be approved by the governing board of the entity.

7. This entity recognizes that the public has entrusted it with various monies to be used in the operation, debt service, special projects and various other activities necessary for successful operations.

8. The primary focus of this Investment Policy is on “Safety” of principal. In addition, because of the nature of the sources and uses of monies this entity recognizes that it is similarly important to maintain “Liquidity” in all of its funds to ensure that monies are available when and as needed. Investment decisions will be made with a focus on creating a reasonable “Yield” on the monies
invested. Once the first three requirements of the policy are considered, attention will naturally be focused on “Diversification” in order to maintain a level of protection against risk.

9. Definitions:
   a. Dollar weighted average maturity: The average maturity of the fund, giving weight to the dollar amounts by maturity i.e., $100,000 for 30 days, and $400,000 for 180 days, creates an average weighted maturity of 150 days.
   b. Final maturity: The day in which all principal and interest are due on a security.
   c. Training in investment management and process: Training in the basic types of allowable investments authorized by Texas Southmost College District, the mechanics of buying and redeeming a security, basic accounting for any securities purchased, or any training conducted by the state to meet this requirement. Training must include investment controls, security, strategy risks, market risks and compliance with the PFIA.
   d. Funds: Are those monies necessary for Texas Southmost College District to conduct its day to day operations, receive and disburse money, money received from and to pay for bonded indebtedness, and any other account established by the Texas Southmost College District.

10. This Policy is written and arranged using the main components of the Public Funds Investment Act (PFIA) as a guideline:

I. Listing of authorized investments
II. Definition of Standard Care
III. Strategy for each of the funds under District control
IV. Dealing with Brokers and Third Parties
V. Reporting Requirements

I. LISTING OF AUTHORIZED INVESTMENTS
   The following investments have been reviewed and approved as authorized investments:
   A. Obligations of the United States, or its Agencies and Instrumentalities;
      1. Authorized to 100% of the entire Investment portfolio
      2. Maturities specifically related to the investment strategy by fund
      3. Individual investment maturities shall not exceed two (2) years
   B. Direct Obligations of the State of Texas, or its Agencies and Instrumentalities;
      1. Authorized to no more than 25% of the entire portfolio
      2. No individual maturity greater than two (2) years per investment
      3. The securities should be rated by two national rating agencies, AAA or the like
      4. Since this investment is also exposed to credit risk, there will be an analysis of the credit quality concerns before any investments are made, and annually thereafter
5. If it is determined that the chances of receiving payments due to deterioration of the credit quality, the governing body will be appraised immediately and the investment considered for sale.

C. Certificates of deposit
1. Authorized to 100% of the entire portfolio
2. Issued by Banks domiciled in the State of Texas
3. Insured by the Federal Deposit Insurance Corporation (FDIC) Bank Insurance Fund (BIF)
4. Excess collateralized by authorized collateral per Public Funds Collateral Act (Chpt. 2257)
5. The final maturity of any one investment not to exceed two (2) years

D. Bank Interest Bearing Checking Accounts
1. Authorized to 100% of entire portfolio
2. Insured by the FDIC (BIF)
3. Excess collateralized by authorized collateral per Public Funds Collateral Act (Chpt. 2257)

E. Money Market Funds
1. Maximum dollars allowed to be invested shall be 80% of the monthly average fund balance (excluding bond proceeds and reserves and other funds held for debt service)
2. No single investment in any one mutual fund which exceeds 10% of the total assets of the mutual fund
3. Average dollar weighted maturity of all funds should be ninety (90) days or less
4. The money market fund must have, as an investment objective, the maintenance of a stable net asset value of $1 for each share
5. The fund shall be a no-load fund
6. The money market mutual fund shall be regulated by the Securities and Exchange Commission

F. Mutual Funds
1. Maximum dollars allowed to be invested shall be 15% of the monthly average fund balance
2. No single investment in any one mutual fund which exceeds 10% of the total assets of the mutual fund
3. Average weighted maturity of less than two (2) years
4. Continuously rated as to investment quality by at least one nationally recognized investment rating firm AAA or better
5. Conforms to the requirements set out in Sec. 2256.016 b and c relating to eligibility
6. Must be a no load fund

G. Investment Pools
1. Authorized to 100% of the entire portfolio
2. The pool must comply with Sec. 2256.016 in its entirety (see attached)

H. Repurchase Agreement for Bond Proceeds-Restricted
(a) A fully collateralized repurchase agreement is an authorized investment if the repurchase agreement:
(1) has a defined termination date;
(2) is secured by obligations described by Section 2256.009(a)(1) of the Government Code; and
(3) requires the securities being purchased by the District to be pledged to the District, held in the District’s name, and deposited at the time the investment is made with the District or with a third party selected and approved by the District; and
(4) is placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in this state.

(b) Money received by the District under the terms of a reverse security repurchase agreement shall be used to acquire additional authorized investments, but the term of the authorized investments acquired must not mature later than the expiration date stated in the reverse security repurchase agreement. Government Code 2256.011

II. Standard Care
The District recognizes that the securities are a dynamic moving target. As such, the District has approved, by acceptance of this policy, the following doctrine of standard of care to be used with all its investments. Investments shall be made with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment, considering the probable safety of capital and the income to be derived. As such, the entity will apply the following general guidelines with each and every investment:
1. Emphasis will be placed on safety of principal
2. Emphasis will be given to the liquidity of the investment
3. Emphasis will be placed on the return of the investment

In order to maintain these standards of care, the Investment Officer(s) is responsible for taking into consideration:
1. The entire portfolio, meaning that the standards should be applied to the entire portfolio and the safety, liquidity, and yields should be considered on the whole portfolio
2. Each particular investment shall comply and be consistent with this written policy
3. The maximum allowable stated maturity of any individual investment owned by the District will be two (2) years

III. Strategy for each of the Funds under District Control
A. Each of the entity’s funds will be grouped into one of the following categories for use with this policy.
1. General Fund
2. Loan Fund
3. Auxiliary Fund
4. Plant Fund
5. Agency Fund
B. Each of the categories mentioned above will have a strategy written for that fund which is part of this investment policy. This strategy will comply with the general terms of the policy in that safety, liquidity, and yield are to be addressed. In addition, each strategy will include an analysis and an explanation of the objectives of that particular strategy. The Investment Officer will follow the investment strategy when making authorized investments for the fund.

C. Since strategies for each particular fund may change from time to time depending on the position in which the entity finds itself, those approved and adopted strategies are part of this policy and carried under SCHEDULE A, which is made part of this policy.

IV. Dealing with Brokers and Third Parties
Any person or organization who is in the legitimate position where they, in fact, are going to sell the entity an authorized investment, or act as an authorized agent of the District, shall be given a copy of this policy. This entity shall require that the principal of the particular organization seeking to sell authorized investments execute a written instrument that confirms that the person or organization has:
1. Received and reviewed thoroughly the investment policy of the entity.
2. Acknowledged that the firm has implemented reasonable procedures and controls in an effort to preclude imprudent investment activities.
3. Filed a statement disclosing any personal business relationship or familial relationship with any Investment Officer.
4. Agreed that all securities will be purchased on a delivery vs. payment settlement method so that no security will be purchased without good delivery of the security.
5. Provided a professional resume and job history with a listing of the organization's principal partners or agents.

Any Investment Officer who has a personal business relationship, or a familial relationship with an individual of the organization seeking to sell an investment to the entity, shall file a statement disclosing that relationship. A statement must be filed with the Texas Ethics Commission and the governing body of this entity. The Investment Officer of Texas Southmost College District may not buy securities from a person who has not delivered to TSC an instrument which covers all of the above.

V. Reporting Requirements
In order to properly service this portfolio, and provide the Board with information to determine the success of the entity's investment portfolio, reporting will be required on all investments to the Board no less than quarterly.

A. This information, at minimum, shall:
1. Contain a detail of the investment position as of the date of the report.
2. Be prepared jointly by all of the Investment Officers.
3. Be signed by each Officer.
4. Contain a summary statement on each pooled fund group with:
   a. beginning market value for the reporting period;
b. additions and changes to the market value during the period;
   c. ending market value for the period
5. State book value, market value, beginning and end of the reporting period by investment.
6. State maturity date on each investment.
7. List this information by pool.
8. Contain a statement that the investments made by the entity are in accordance with the stated strategies and approved policy, and relevant provisions of the law.

SCHEDULE A: INVESTMENTS STRATEGIES BY FUND
The following investment strategies are the guidelines to investments of the funds of this entity. All investments, when aggregated together, must be within the diversification parameters listed with the authorized investments. From time to time, on a temporary basis, the actual investments within one fund or another may vary slightly from its underlying strategy. However, these aberrations should only be temporary and corrected easily. Diversification, very often, is impacted by the yield on various types of authorized investments. Although diversification is part of the decision criteria used by the Investment Officer, more heavily considered are: yield, safety of principal, and maturity of the particular investment. As a result, diversity of the investment portfolio may not be significantly accomplished.

1. **General Fund**
The operating funds are necessary for the operations of the day to day activities of the District and, as such, need to be available when needed. Excess balances in the General Fund will be invested in highly liquid securities which can be sold and cash delivered immediately. The suitable investments to meet this high level of liquidity are considered to be those investments authorized under this policy, with maturities of less than two weeks. Marketability of the short term investments will be high priority in the event the security must be sold before maturity and as such, only those investments which can be sold immediately will be considered for this fund.

2. **Loan Fund**
These funds are necessary to provide for students, faculty and staff on an as needed basis. Investments authorized under this policy will have maturities of less than one (1) week. The fund will be maintained in an interest bearing checking account.

3. **Auxiliary Fund**
The Auxiliary Funds are not as time sensitive as some of the other funds. Consequently, the funds investments may be pushed further in time and thus realizing a higher Return on Investment (yield). The suitable investments for this fund will be longer term investments as authorized under this policy. The fund will keep at least 20% of its monies in investments of maturities of two weeks or less in order to provide for and maintain liquidity for those unplanned or immediate expenditures. The remaining percentage of the
monies in this fund may be invested in authorized investments not exceeding two (2) years.

4. **Plant Fund**
The nature of the funds in this account, allow for longer term investments. The fund will maintain an interest bearing checking account to act as a collection vehicle for monies transferred into and out of the fund. However, the strategy for this fund will be to invest the available balances in maturities up to two (2) years and not less than 60 days. Investments suitable for this fund will be those authorized by this policy. The marketability of the investments will be more volatile in this fund due to the longer term investment horizon, the impact of this volatility will be partially mitigated by maintaining at least 20% of the invested funds in maturities of one hundred twenty (120) days or less.

5. **Agency Fund**
The nature of these funds is identical to No. 2 above, and strategy is the same.

Agenda Item:
Consideration and possible action on Second Reading of the TSC District Budget for Fiscal Year 2008-2009

Rationale/Background:
Annual budget requirements are contained within a rider in the general appropriation act by the State of Texas. The proposed budget will fund scholarships for tuition, capital improvements, deferred maintenance, property acquisition and bond projects. A detailed presentation of the budget was made at the Business Affairs Partnership Committee on Tuesday, June 17, 2008 and the Board of Trustees meeting on Wednesday, June 25, 2008.

There were no substantial changes in the proposed budget since the first reading at the June meeting. There were only a few minor modifications, which have been listed for your reference on a handout and included in the budget booklet.

Recommended Action:
Motion to adopt the TSC District Budget for Fiscal Year 2008-2009 as presented.

Fiscal Implications:

**Agenda Item:**
Consideration and possible action on Renewal of General Liability, Educators’ Legal, Crime and Auto Insurance Policies

**Rationale/Background:**
The District requested a renewal quote from Shepard Walton King (SWK) for General Liability, Crime, Auto and Educators’ Legal Liability policies. The renewal period for these policies is September 1, 2008 through August 31, 2009. SWK responded with a 15% premium reduction.

- General Liability Policy through Texas Political Subdivisions for a premium of $19,619;
- Crime Policy through Texas Political Subdivisions for a premium of $557;
- Automobile Policy through Texas Political Subdivisions for a premium of $5,863 and
- Educators Legal Liability Policy through Diamond State Insurance Co. for a premium of $13,200.

The total amount of the insurance renewal premium reduction is $6,589.00 less than the premium for the current policy.

**Recommended Action:**
Motion to approve the Renewal of General Liability, Educator’s Legal, Crime and Auto Insurance Policies in the amount of $39,239 as presented.

RE: Casualty Renewal Proposal

Dear Melba:

We are pleased to enclose a summary sheet outlining expiring & renewal terms for your casualty insurance program that reflects a 15% premium reduction. The general liability, auto and crime quotes are through Texas Political Subdivisions.

Mexico auto coverage is not included. If vehicles are going to be used there please contact us so that we can place a separate policy for those units.

The Educators Legal Liability is through Diamond State Insurance Company; the same carrier who reduced its premium last year after the board requested premium relief. The spreadsheet attached provides a summary of quotes.

Please do not hesitate to call should you have any questions regarding the renewal terms. We await your instructions to proceed with binding of renewal coverage.

Sincerely,

Raul Cabaza, III
Vice-President

Department/Division: Planning and Construction Office

Board Meeting Date: August 28, 2008

Agenda Item:
Consideration and possible action on change order to the contract with SpawGlass Contractors, Inc. for the incubator expansion project

Rationale/Background:
The ITECC renovation project was broken down into several contracts for the thermal plant expansion, roof repair, interior renovation and site work all within the $17 million project allocation. The thermal plant expansion and the roof repairs have been completed. The interior renovation and site work are currently in progress under a contract with SpawGlass.

In July of 2007, the International Innovation Center submitted a grant proposal to Economic Development Administration (EDA) for expansion of the existing small business incubator spaces. The proposal was successful and International Innovation Center was awarded a total of $1.25 million for the Incubator expansion project. The local firm of Gomez Mendez Saenz, Inc. was asked to develop construction documents for the Incubator expansion project. Several meetings were held during the months of August 2007 to February 2008 to discuss and complete the design for the project.

The final plan consists of 11,604 square feet of flexible space. The renovation includes infrastructure upgrades to mechanical, electrical and plumbing systems. In addition, the renovation will create an access from the existing incubator lobby to the renovated space providing a seamless addition from the existing Incubator. Since SpawGlass is currently at the ITECC completing other renovation work, staff recommended seeking an estimate from them for the Incubator expansion project. The goal was to maximize construction funds available and achieve savings by reducing mobilization, general conditions and other costs by using pre-negotiated pricing with SpawGlass. The proposed cost for the incubator expansion is $1,073,924 funds from the grant will be used to cover the construction cost.

Recommended Action:
This item will be presented to Physical Facilities Committee meeting on Wednesday, August 27, 2008 for recommendation.

**Agenda Item:**  
Consideration and possible action on change order to the contract with Skanska USA, for construction of Arts Center

**Rationale/Background:**  
The Arts Center project is currently under construction in a contract with Skanska USA. The original plans for the project were modified after approval of the guaranteed maximum price primarily for two reasons: 1) the City of Brownsville imposed additional requirement for relocation of Taylor Avenue and 2) existing sewer line to which the new building is to connect to, was found in a deteriorated condition not anticipated during design.

In order to move the project forward, Studio Red and engineers designed upgrades to Taylor Avenue as per City of Brownsville (COB) requirements added during permitting review. Taylor Avenue improvements include a road that is 4ft. wider than originally designed to accommodate 18 parallel metered parking and additional sidewalks. There were also some utilities that had to be removed and relocated due to the COB request. The cost associated with the COB requirements is estimated at $147,862. In addition, a new sewer line was designed to serve the new Arts Center, the Commandant’s house, Building 23 and the Fort Brown Memorial Center complex (Jacob Brown). The estimated cost for the new line is $224,595. Taking advantage of the fact that we have a contractor on site it is recommended that the University replace the line and achieve a proper slope to properly serve all buildings connected to this line.

Skanska USA, the current contractor for the project, was asked to price the designed changes. The total cost for both upgrades is $372,457. The cost has been reviewed and recommended by Broaddus and Associates project manager for the project.

**Recommended Action:**  
This item will be presented to Physical Facilities Committee at their meeting on Wednesday, August 27, 2008 for recommendation.

**Fiscal Implications:**  
Budgeted Item: Yes □ No □ N/A □ If no, explain:

The 2009 Budget includes $150,000 for sewer line repairs under the infrastructure account. The remainder funds will come from interest earned on 2005 bond issuance.
