TEXAS SOUTHMOST COLLEGE DISTRICT

RESOLUTION

WHEREAS, Alejandro Villarreal-Alba and Irma Montemayor de Villarreal are outstanding friends of The University of Texas at Brownsville and Texas Southmost College; and

WHEREAS, Alejandro Villarreal-Alba and Irma Montemayor de Villarreal are strong advocates for students through their support of programs that benefit students and the community; and

WHEREAS, Alejandro Villarreal-Alba and Irma Montemayor de Villarreal are dedicated to the development of the fine arts in the community and believe strongly that all people should have the opportunity to experience high quality education, performances and programming; and

WHEREAS, Music education and the visual and performing arts at The University of Texas at Brownsville and Texas Southmost College and in the Rio Grande Valley will be nurtured in The Arts Center for many years to come;

NOW THEREFORE, BE IT RESOLVED by the Board of Trustees of the Texas Southmost College District that Box B in The Arts Center will be named

“The Villarreal-Montemayor Family Box”

ADOPTED this 23rd day of April, 2009.

________________________________________
David Oliveira
Chair, Board of Trustees

________________________________________
Roberto Robles, M.D.
Secretary, Board of Trustees
Texas Southmost College District

Minutes of the Regular Meeting of the Board of Trustees

March 26, 2009

The Board of Trustees of the Texas Southmost College District convened in open session on March 26, 2009, at 5:30 p.m., in the Board Room of Gorgas Hall, The University of Texas at Brownsville and Texas Southmost College. Board members present were David Oliveira, Chair, Eduardo A. Campirano, Vice Chair, Dr. Roberto Robles, Secretary, Chester Gonzalez, René Torres, and Adela Garza. Absent was Rosemary Breedlove. Also present was Dr. Juliet V. García, President of The University of Texas at Brownsville and Texas Southmost College.

Call to Order

The meeting was called to order by Chairman Oliveira at 5:35 p.m.

1. Announcements

Master Chorale Returns from Rome

Dr. García announced the return of the Master Chorale from their successful tour to Italy. The invitation came from a Vatican emissary who had heard them perform last year at St. Patrick’s Cathedral in Ireland. A short video of their journey was presented to the Board. Dr. Garcia then introduced Dr. Heimermann, Dean of the College of Liberal Arts, who introduced Dianne Brumley, Choir Director. Ms. Brumley introduced members of the choir and thanked members of the Board, Dr. Ruth Anne Ragland, the Brownsville Herald and the Valley Morning Star for their support. The Master Chorale concluded by giving a live performance for the Board.
2. Speakers to the Items and Public Discussion

There were no speakers.

3. Acceptance of Gift and Resolution

Consideration and possible action on adoption of resolution naming The Arts Center Grand Piano Room “The Bernice and Ruben Edelstein Grand Piano Room”

Dr. Ruth Ann Ragland, Vice President for Institutional Advancement, announced the acceptance of a gift from Bernice and Ruben Edelstein. Dr. Ragland provided a brief biography of the Edelstein family, noting that they have for years been community leaders in promoting education, economic development, community service, and the fine arts. She informed the Board that the Edelsteins were not present at the meeting, but publicly thanked them for making this important contribution. Mr. Oliveira then read a resolution honoring Bernice and Ruben Edelstein, noting that a copy of the resolution and a framed portrait of The Arts Center would subsequently be presented to them.

A motion was made by Mr. Torres to adopt the resolution naming The Arts Center Grand Piano Room “The Bernice and Ruben Edelstein Grand Piano Room,” as presented. The motion was seconded by Dr. Robles and carried unanimously. Exhibit “A”

4. Executive Session

as provided by Government Code, Chapter 551.071-072

The Board considered two contracts and resolutions for purchase of real estate: Fort Brown Villas Condominium Unit 1015, Type D, Building 1, Phase 1, Brownsville, Texas; and Lot 4, Block 11, Colonia Alta Vista Subdivision, Brownsville, Texas.

The Board convened in Executive Session at 6:10 p.m.

The Board reconvened in Regular Session at 6:45 p.m.
5. Consideration and possible action on matters discussed in Executive Session

Contract and resolution for purchase
of Fort Brown Villas Condominium Unit 1015, Type D, Building 1, Phase I, Brownsville, Texas

A motion was made by Mr. Campirano to approve the earnest money contract and resolution for the acquisition of Fort Brown Villas Unit 1015, in the amount of $44,500 as presented. The motion was seconded by Mr. Torres and carried unanimously. Exhibit “B”

Contract and resolution for purchase
of Lot 4, Block 11, Colonia Alta Vista Subdivision, Brownsville, Texas

A motion was made by Ms. Garza to approve the earnest money contract and resolution for the acquisition of Lot 4, Block 11, Colonia Alta Vista, in the amount of $35,000 as presented. The motion was seconded by Dr. Robles and carried unanimously. Exhibit “C”

6. Board Briefing

Dr. Charles Dameron, Vice President for Academic Affairs, introduced Dr. Fredrick Jenet, Associate Professor for Physics and Astronomy, to give a presentation on the “The Discovery of Radio Pulsar J1917+1736.”

Dr. Jenet described how the Arecibo Remote Command Center (ARCC) program at UTB/TSC involves high school, undergraduate, and graduate students in pulsar astronomy research early in their scholastic careers, fostering an ability to work with colleagues at different academic levels.

Dr. Jenet then elaborated on the events of Sunday, December 14, 2008, when groups of students at the Arecibo Observatory in Puerto Rico and here at the ARCC control room identified a new pulsar, which was named J1917+1736. He noted that finding a pulsar is not a common occurrence, since they represent only one of every ten million stars. Mr. Torres encouraged the students to publish an article on their discovery. Dr. Jenet thanked members of the Board, Mary Rose Cardenas, and Neil Simmons for their support of the ARCC program.
7. Approval of Minutes of Previous Meeting

Consideration and possible action on
Minutes of Regular Meeting on February 19, 2009

A motion was made by Mr. Campirano to approve the Minutes of the
Regular Meeting on February 19, 2009. The motion was seconded by Mr.
Gonzalez and carried unanimously.

8. Physical Facilities Committee

Consideration and possible action on
awarding a contract to Industrial Audio/Video, Inc., for the equipment
and installation of audio visual equipment controls for the Classroom
Building, New Library, and the Center for Early Childhood Studies

Mr. Oliveira called on Chester Gonzalez to make the report. He reported that the
first item discussed was a contract to install audiovisual equipment controls for the
Classroom Building, New Library, and the Center for Early Childhood Studies. The
scope of work includes the installation of equipment for ten classrooms, three
conference rooms, one multipurpose room, and one observation room. In addition, a
pager sound system will be installed in the New Library.

Mr. Gonzalez reported that the request for proposals to install the audio visual
equipment was issued according to Texas Southmost College Board policies for
purchasing bids. Proposals were received and evaluated on March 4, 2009. The total
amount for the work described in all three facilities is $104,068.

A motion was made by Mr. Gonzalez to approve a proposal from
Industrial Audio/Video, Inc., in the amount of 104,068 and authorize the
Assistant Vice President for Planning and Construction to execute the
contract. The motion was seconded by Ms. Garza and carried
unanimously. Exhibit “D”

Consideration and possible action on
awarding a contract to purchase
and install fixed audience seating for the Arts Center project

Mr. Gonzalez reported that owner procurement of this seating provides a savings to
the Arts Center project of $31,000. A proposal for the specified seats was sought
directly from the manufacturer, Irving Seating Company, while Studio Red
Architects provided the specifications. Irving Seating Company is a member of the
Buyboard Purchasing Cooperative. The recommended proposal includes the
purchase of 733 fixed seats and installation, for a cost of $171,558.65.
A motion was made by Mr. Gonzalez to approve a contract to install fixed audience seating from Irving Seating Company in the amount of $171,558.65 and authorize the Assistant Vice President for Planning and Construction to execute the purchase order. The motion was seconded by Dr. Robles and carried unanimously. *Exhibit “E”*

**Consideration and possible action on award of a contract to Pederson Construction Co., Inc., for the construction of the REK Center parking lot**

Mr. Gonzalez reported that funding was approved by the TSC Board for the construction of a parking lot adjacent to the REK Center in November 2008. Additional parking is essential for the REK, the multipurpose field, and Scorpion Field. The proposed parking lot project was advertised according to TSC Board policies for competitive sealed proposals. Proposals were received on March 12, 2009. Upon evaluation of the proposals by the committee, it was recommended to award the contract to Pederson Construction Co, Inc. This recommended action is within the budget set aside for the project.

A motion was made by Mr. Gonzalez to award the contract to Pederson Construction Co., Inc., in the amount of $284,445.25 and to authorize the Assistant Vice President for Planning and Construction to execute the contract. The motion was seconded by Mr. Campirano and carried unanimously. *Exhibit “F”*

**Consideration and possible action to approve an amendment to the project management services agreement with Broaddus & Associates**

The final item discussed was the amendment to the project management services agreement with Broaddus & Associates. In the course of the bond program there have been changes to the projects that directly impact the contract with Broaddus & Associates, and require an adjustment in service fees due to the increase in scope of work and an extension of time for project completion. Mr. Daniel Rentfro, Jr., TSC Attorney, elaborated on the amendment to the contract.

A motion was made by Mr. Gonzalez to increase the service management agreement with Broaddus & Associates in the amount of $383,000 and authorize the Assistant Vice President for Planning and Construction to execute the contract. The motion was seconded by Dr. Robles and carried unanimously. *Exhibit “G”*
9. Business Affairs Partnership Committee

Report

Mr. Oliveira called on Ms. Rosemary Martinez to provide the report. Ms. Martinez reported that the Business Affairs Committee Meeting met on March 24, 2009. They discussed and made recommendations on the following items:

Consideration and possible action on authorization for disposition of items at annual auction

A motion was made by Mr. Campirano to authorize staff to dispose of items at annual auction as presented. The motion was seconded by Mr. Gonzalez and carried unanimously. Exhibit “H”

Consideration and possible action to purchase computer equipment for the Architecture Lab at ITEC Center through TCPN contract number 9914760 R4717

A motion was made by Mr. Campirano to approve the purchase of computer equipment in the amount of $88,808.46 through TCPN and to authorize the Vice President for Partnership Affairs to execute the contract. The motion was seconded by Mr. Gonzalez and carried unanimously. Exhibit “I”

Consideration and possible action for approval of proposal for General Property Insurance

A motion was made by Mr. Gonzalez to select R.N. Jones Agency, Inc., as an agent for windstorm and hail insurance coverage through TWIA with a 1% deductible. The motion was seconded by Ms. Garza and carried unanimously. Exhibit “J”

Consideration and possible action on approval of payment to UT System for participation in the Comprehensive Property Protection Plan for Fire and All Other Perils and Named Windstorm and Flood Coverages

A motion was made by Mr. Torres to approve payment to UT System for participation in the CPPP for Fire and All Other Perils and Named Windstorm and Flood Coverages. The motion was seconded by Mr. Gonzalez and carried unanimously. Exhibit “K”
10. Academic Affairs Partnership Committee

Report

Adela Garza reported that the Academic Affairs Partnership Committee met on March 4, 2009.

Ms. Garza reported that the Committee discussed new and proposed undergraduate and graduate programs undergoing review by the Texas Higher Education Coordinating Board and UT System, as well as those seeking accreditation. The Committee also discussed UTB/TSC’s ongoing dual enrollment initiatives, among which are the dual enrollment program with local districts, the Early College High School, the Math & Science Academy, and the Summer Bridge Program. The Committee also heard reports on cooperative agreements with UTPA for a Physician Assistant program, and with UTSA for a Ph.D. program in Physics.

Ms. Garza reported that the AAPC heard that the SACS re-accreditation response was submitted, and that no further action is required by the University. The next SACS re-accreditation review will take place in ten years.

Ms. Garza then introduced Dr. Charles Dameron, Vice President for Academic Affairs, who described a new Associate of Science in Architecture program that required Board approval. Information on the program was included for the Board’s review.

Consideration and possible action on approval of New Academic Program

A motion was made by Ms. Garza to approve the new Associate of Science in Architecture program as presented and direct the Vice President for Academic Affairs to forward to the Texas Higher Education Coordinating Board for Approval. The motion was seconded by Mr. Campirano and carried unanimously. Exhibit “L”

11. Construction Report

Dr. Pearson reported the following:

- Renovations at the former Newman Center are progressing. Data lines have been connected, built-in furniture has been installed, and the doors and wiring have been completed.
- Work continues at the Commissary Building, the future home of the Division of Institutional Advancement. Many of the bricks have been re-pointed and reinstalled, a new door was built for the old jail located on the basement level, and other work has been completed.
• Work on the Commandant’s Quarters continues. The work on the exterior is almost complete, and the project timetable will be accelerated for completion by late summer.
• A sidewalk from the Student Union to the REK Center is under construction to accommodate pedestrian traffic when the REK Center opens.
• The parking lot adjacent to the Amphitheatre is being renovated. The old asphalt has been removed, the ground has been leveled, and landscaping will occur shortly.
• Work has begun on the wing of the Cavalry building closest to the Campus Bookstore. This area will be renovated to create new offices and a conference room, and will complement the Center for Gravitational Wave Astronomy offices and the future Faculty Club.

Ms. Mendez reported the following:

• The Certificate of Occupancy for the REK Center was received on March 26, 2009.
• Work at the Center of Early Childhood Studies continues. Brick and is being installed on the exterior of the administration building, the interior walls of the four casitas have been painted different colors, and the carpet is ready to be installed. The playground equipment is expected to be delivered soon.
• Work continues at the New Library and Classroom buildings. Substantial completion is expected in late April. The arches on the windows and the exterior railings have been installed and will be painted in bronze color. The doors, ceiling tile, and carpet in the faculty offices are all installed.
• Work continues at the Arts Center. The exterior shading and fireproofing is 90% complete. Masonry on the tallest part of the building is completed. The metal door frames are installed. The project is on schedule for completion by the December 2009.
• Work at the Science, Technology and Research building has begun. The construction fence has been installed, and actual construction is scheduled to commence on April 6, 2009.

12. President’s Report

Dr. García reported the following:

• On February 2, 2009, Dr. Francisco G. Cigarroa began his service as the 10th UT System Chancellor. A native of Laredo, Dr. Cigarroa is a nationally renowned pediatric and transplant surgeon. Prior to taking his new position, he had served as president of the UT Health Science Center at San Antonio for nine years. UTB/TSC was the first campus Dr. Cigarroa visited as Chancellor.

• The Texas Education Agency Division of Educator Standards conducted a post-approval five year site visit during the month of January for our teacher
preparation program. The site team reviewed five areas of compliance including University commitment, program admission, curriculum, evaluation and ongoing support. The team found our teacher preparation program to be in compliance in all areas reviewed.

In addition several commendations were received for:
- the work of the University with our Advisory Board,
- the extent of collaboration between the University and the school districts,
- the system of storage and retention of student files and documents,
- providing an extended student teaching experience for our students,
- field based experiences,
- providing tutorial review sessions for students preparing for their certification examinations, and
- the use of technology in disseminating information to students.

Dr. Garcia congratulated Dr. Charles Dameron, Vice President for Academic Affairs, Miguel Angel Escotet, Dean of the School of Education, and the many faculty and staff who have helped to reach this great achievement.

- The Spring Distinguished Lecture Series featuring Syrian attorney Hind Aboud Kabawat, an international adviser at Joseph Young and Associates, an international law firm in Toronto, and foreign affairs director for the Syrian Public Relations Association. The lecture will be held at 7:00 p.m. on Monday, April 6th, 2009, in the SET-B Lecture Hall. The topic of the lecture will be “Education, Empowerment, Law, and Peace in the Middle East.”

- **Scorpions vs. UTPA Baseball**

  UTB/TSC men’s baseball team will be playing games in Edinburg on April 8 and April 22. This will be the first regular season matchup between the Broncs and the Scorpions.

13. Proposed Meeting Dates

   - **Thursday**, April 23, 2009
   - **Thursday**, May 14, 2009
   - **Thursday**, June 18, 2009
Adjournment

The meeting was adjourned by Chairman Oliveira at 8:35 p.m.

Mr. David G. Oliveira
Chairman, Board of Trustees

Roberto Robles, M.D.
Secretary, Board of Trustees

NOTE: The tape of the Regular Board of Trustees meeting held on March 26, 2009 is on file at the District Office of the Texas Southmost College District. The master tape is on file at the UTB/TSC Media center. These minutes were taken and transcribed by Gloria Miranda, Administrative Assistant. Videotaping of the Board of Trustees’ meetings began on April 11, 1996. They are aired on Channel KBSD in cooperation with the Brownsville Independent School District.
### Department/Division:
Partnership Affairs

### Board Meeting Date:
April 23, 2009

### Agenda Item:
Consideration and possible action on adopting a resolution in support of a grant application to the City of Brownsville Cultural Affairs Advisory Committee to partially underwrite the 2010 annual Brownsville Guitar Festival and Competition.

### Rationale/Background:
The Annual Brownsville Guitar Festival and Competition has been held on our campus since 2002. Its founder is Dr. Michael Quantz of the Fine Arts Department. The Festival provides training from the world’s best guitarists, an opportunity for students and their teachers to share ideas, master classes with powerful instructors and a series of artistic presentations for Brownsville and the Rio Grande Valley.

Dr. Quantz is applying to the Brownsville Cultural Affairs Advisory Committee for $25,000 to help underwrite the cost of the Festival. If the application is successful, the funds will be used to underwrite travel and expenses of performers and judges, publicity and advertising as well as video recording. The Festival has also been partially underwritten by the Patron of the Arts Program, the Brownsville Society for the Performing Arts, Guitar Club Fundraisers and corporate gifts.

One of the requirements of the Cultural Affairs Advisory Committee is approval of the application by the Board of Trustees.

### Recommended Action:
Motion to adopt a resolution in support of a grant application to the City of Brownsville Cultural Affairs Advisory Committee to partially underwrite the 2010 annual Brownsville Guitar Festival and Competition in the amount of $25,000.

### Fiscal Implications:
Budgeted Item: □ Yes □ No □ N/A □ If no, explain:

### Attachments (list):

**Agenda Item:**
Consideration and possible action on Substantial Completion to JE Dunn/Terry Ray a Joint Venture for the construction of the REK Center.

**Rationale/Background:**
In February 2006, the Board authorized JE Dunn/Terry a Joint Venture as the construction manager at risk to proceed with the construction of the Recreation Education and Kinesiology Center.

The scope of the project included the construction of a facility for Health and Human Performance and Campus Recreation. The construction included 108,891 sq. ft. including a weight and fitness area, a full gymnasium court with setup for three basketball courts and other sports, two racquetball courts, two large multipurpose rooms, two medium classrooms with a capacity for 40 students, four small classrooms with a capacity for 32 students, one computer lab with a capacity for 24 students, two conference rooms and fifteen faculty offices. The exterior work included a multipurpose field, a pool with six lanes, landscape surrounding the facility and an upcoming parking lot. Parsons 3DI, from San Antonio was the Architect and the UT System Office of Facilities Planning and Construction served as the Project Manager.

Substantial Completion inspection took place on March 26, 2009. The project management team considers the project to be substantially complete with final completion thirty days after the substantial completion date.

**Recommended Action:**
Motion to accept Substantial Completion of the Recreation Education and Kinesiology Center and authorize the Assistant Vice President for Planning and Construction to close the project upon completion of punch list items.

**Fiscal Implications:**

THE UNIVERSITY OF TEXAS SYSTEM
Office of Facilities Planning and Construction

SUBSTANTIAL COMPLETION ACCEPTANCE

Date of Issuance: April 6, 2009

Project No. & Name: 902-213 C Recreation, Education and Kinesiology Center – Stage III

Campus/Institution: University of Texas at Brownsville & Texas Southmost College

Contractor: J.E. Dunn / Terry Ray, A Joint Venture

Architect/Engineer: Parsons - 3D/International

SCOPE OF WORK COVERED BY THIS ACCEPTANCE:

Entire Project

EFFECTIVE DATE & TIME OF ACCEPTANCE: March 26, 2009 - Noon
(The Warranty/Guarantee Period for ACCEPTED Work begins at the date and time indicated above)

This constitutes the Owner’s acceptance for Beneficial Occupancy for the entire Contract amount:
Yes ☒ No ☐

OCIP Worker’s Compensation will terminate within sixty (60) calendar days:
Not OCIP ☒ Yes ☐ No ☐

In accordance with the Uniform General and Supplementary General Conditions (UGC) of the Contract, this is to confirm the results of the substantial completion inspection(s). The "punch list(s)" of items remaining to be completed or corrected as of the effective date of this acceptance, is formally issued by the Architect under separate cover. It is expressly understood that the failure to include any items on such list(s) does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents. In accordance with the UGC, the Date of Substantial Completion is that Date jointly certified by the Architect/Engineer, Owner and Contractor that the Work is sufficiently completed for the Owner to utilize it, or designated portion thereof, for the intended purpose.

As of the effective date noted above, the Contractor is relieved of the responsibilities for utilities, maintenance, security, custodial services, and insurance coverage, which may pertain specifically to the Work, covered by this acceptance. The Contractor remains responsible, however, to maintain full insurance coverage as required by Contract for any areas of the project not yet accepted, and such coverage as may be necessary for its employees and subcontractors while engaged in completion of the punch list items as identified above.

The Owner and Architect will continue to inspect the entire project, including the work accepted herein, until final completion and acceptance of all elements of the work. This inspection will cover such defects as may have been overlooked as well as the items currently remaining on the punch list(s). Defects are to be called to the attention of the Contractor by Campus Physical Plant through the use of a deficiency report form.

The CONTRACTOR shall complete/correct the items identified on the punch list(s) within Thirty (30) calendar days from the Effective Date of this Acceptance.

Myron T. Pendley - Vice President
(Printed Name & Title) (Signature) (Date)

The ARCHITECT agrees that the Work noted in this Acceptance is sufficiently complete to be used as intended.

Timothy J. Baisden, AIA – Project Architect
(Printed Name & Title) (Signature) (Date)

With the exception of those items noted on the attached "punch list(s)", the OWNER accepts the Work designated herein as Substantially Complete as of the Effective Date of this Acceptance.

Veronica Mendez – Assistant Vice President for Planning and Construction
(Printed Name & Title) (Signature) (Date)

cc: Orlando Ruiz – Account Services, Linda Ulfland – Special Projects Coordinator, Mike Murphy – OFPC Contract Manager, Phil Condor – Project Controls Specialist, Tracy Seiler – U.T. System Office of Risk Management, Central File in Austin

# Texas Southmost College District

## Board Agenda Request Form

**Department/Division:**
Office of Planning and Construction / Partnership Affairs.

**Board Meeting Date:**
April 23, 2009

### Agenda Item:
Consideration and possible action on a contract to purchase and install theatrical equipment for the Arts Center project.

### Rationale/Background:
Owner procurement of materials was identified as one of the cost control strategies for the construction projects. Procurement of theatrical equipment is one of the items that could provide substantial savings to the Arts Center project. The equipment required for the facility is a theatrical pit filler system and acoustical curtains.

A request for proposals for theatrical equipment was issued according to The University of Texas at Brownsville and Texas Southmost College polices for purchasing bids. Proposals were received April 14, 2009 and were evaluated by an evaluation committee that included Mr. Jared Wood, Arts Center project architect, Ms. Kim Corbbett, Arts Center theatrical consultant, Ms. Diana Bravo-Gonzalez, Bond project manager and Ms. Patricia G. Sanchez, TSC Senior Buyer on April 17, 2009. The proposal amount of $244,877 includes all equipment and labor for the facility.

### Recommended Action:
Motion to negotiate a contract from Texas Scenic, Co., to purchase and install theatrical equipment for the Arts Center and authorize the Assistant Vice President for Planning and Construction to execute the contract. If unable to reach an agreement with Texas Scenic, Co., negotiations should then be made with the second highest ranked respondent, Secoa, Inc.

### Fiscal Implications:
**Budgeted Item:**
- □ Yes
- □ No
- □ N/A If no, explain:

**Arts Center Project Budget**

### Attachments (List):
1. Evaluation Committee Recommendation
2. Evaluation Matrix
3. Skanska USA Recommendation Letter
4. Bid Tabulation and Evaluation
5. Recommended Proposal

---

**FOR OFFICE USE ONLY:**

**Board Action:**
- □ Yes
- □ No
- □ N/A
- □ Tabled for action on:________

**Certified by:**
_________________________  Title: ______________________  Date: ________
Memorandum

TO: Ms. Veronica Mendez  
Assistant Vice President for Planning and Construction

FROM: Ms. Diana Bravo-Gonzalez  
Broaddus & Associates Project Manager

DATE: April 22, 2009

SUBJECT: Request for Proposal for Arts Center Theatrical Equipment

A Request for Proposals for theatrical equipment for the Arts Center was issued on March 23, 2009. Proposals were received on Tuesday April 14, 2009 at 11:00 a.m. from Texas Scenic, Co. from San Antonio, Texas, Seccoa, Inc. from Dallas, Texas and Stagelight Inc. from Dallas, Texas (Stagelight was considered nonresponsive due to an incomplete proposal). The equipment includes the following items with a contingency amount included on the equipment:

<table>
<thead>
<tr>
<th>Equipment</th>
<th>Texas Scenic, Co. Amount</th>
<th>Seccoa, Inc. Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Theatrical Pit Filler</td>
<td>$32,370.00</td>
<td>$42,853.00</td>
</tr>
<tr>
<td>Acoustical Curtains</td>
<td>$190,245.00</td>
<td>$159,038.00</td>
</tr>
<tr>
<td>10% Contingency</td>
<td>$22,262</td>
<td>$20,189</td>
</tr>
<tr>
<td>Total</td>
<td>$244,877</td>
<td>$222,080</td>
</tr>
</tbody>
</table>

The proposals were evaluated by the following team members:

1. Jared Wood, AIA      Architect of Record for the Arts Center
2. Kimberly Corbett    Shuler Shook Theatrical Consultant
3. Diana Bravo Gonzalez, AIA Broaddus and Associates Project Manager
4. Patricia Sanchez    Senior Buyer for the Office for Planning and Construction

Evaluations were based on the following criteria:

- Qualifications (0-15)
- Past Performance (0-20)
- Warranty and service (0-20)
- Price proposal (0-45)
The committee’s scores were tabulated and Texas Scenic, Co. received the highest score (See Exhibit A). The following recommendation is supported by the architect, acoustical engineer and contractor. The recommendation is based on the fact that Texas Scenic, Co. is already supplying the rigging system for the stage and they have intimate knowledge of the project. They have surveyed the site, evaluated its complexity and coordinated with the contractor on site. They are a Texas company and would be easier to reach in the event of a problem with the equipment. Secoa, Inc. did not visit the site and therefore would not have the same knowledge of the complexity of the actual building design as it relates to the installation of the theater equipment. Their pricing may be lacking essential items that would only be discovered by site investigation.

In addition Texas Scenic Co. has worked with Skanska on various projects and based on their relationship they are knowledgeable of each other’s processes therefore, Texas Scenic provides additional value to the process. Attached is a letter from Skanska stating the qualification and experience with Texas Scenic, Co. (See Exhibit B). Given all of the above, we feel comfortable recommending a significant reduction to the project contingency. The proposed amount is within the budget set aside for equipment of this project.

Veronica Mendez  
Assist. Vice President for Construction  
Texas Southmost College  
80 Fort Brown, Regiment House  
Brownsville, Texas

Subject: Arts Center Project – Owner Furnished Theatrical Specialties

Dear Ms. Mendez,

As discussed in our last weekly meeting for the Arts Center, we understand the College has solicited and received proposals for the owner furnished Theatrical Specialties associated with the Arts Center. The systems to be provided by owner are the Acoustical Curtains, Concert Enclosure/Orchestra Shell, Pit Filler and Theatrical Lighting. We are not privy to the bid values associated with the solicitation; however we would like to offer the following qualifications and comments for Texas Scenic in consideration for your decision for the remaining scope of work.

Texas Scenic’s Work Experience with the Project Team:

1) Skanska has successfully worked with Texas Scenic on recent projects as follows:
   a. STC Communications Arts Building - McAllen, Texas  
   b. La Joya High School Campus – Palmview, Texas  
   c. Georgetown Performing Arts Center – Georgetown, Texas  
   d. Georgetown High School – Georgetown, Texas  
   e. Midway High School – Midway, Texas

2) Studio Red has successfully worked with Texas Scenic on recent projects as follows:
   a. Jersey Village Baptist – Houston, Texas  
   b. Houston Baptist University – Houston, Texas  
   c. Houston 1st Baptist Church – Houston, Texas

3) Schuller Shook has successfully worked with Texas Scenic for recent projects as follows:
   a. Del Mar College – Corpus Christi, TX  
   b. South Texas College – McAllen, TX  
   c. Temple High School – Temple, TX  
   d. Russelville HS Performing Arts – Russelville, AK

Texas Scenic’s current knowledge of the project:

Texas Scenic has significant knowledge and familiarity on this particular project having been the original theatrical contractor selected for the Arts Center Project. They have been active in coordinating their current scope of work with Skanska, trade contractors and consultants interfacing with their installation. Some of the
intangible benefits for utilizing the current theatrical contractor to complete the remaining scope of work are as follows:

- Coordination of miscellaneous supports for theatrical specialties from existing structure
- Coordination of rough-in requirements with existing systems
- Coordination & interfacing of theatrical lighting with contractor furnished controls/dimming systems
- Coordination for access to work areas with Skanska and trade contractors
- Liability for warranty & repair works is clearly defined

Skanska will gladly work with any vendor/contractor the College designates; however, it is our belief that the introduction of any other vendor/contractor could be counterproductive to the project given the current phase of construction, complexity of systems, and controls/interfacing with special systems required. I would encourage the College to also inquire with the Design Team and Theatrical Consultants, as I believe they would have the same comments as experts in the design and contract administration of performing arts facilities. I appreciate your attention and consideration in this matter and look forward to your decision.

Please contact me with any questions or comments you might have.

Thank You,

Josue Reyes,
Sr. Project Manager

MEMORANDUM

TO: Ms. Veronica Mendez
    Assistant VP for Planning and Construction

FROM: Patricia G. Sanchez
      Senior Buyer

DATE: April 20, 2009

SUBJECT: RFP- Theatrical Equipment for the Arts Center
          Disqualification of an incomplete proposal-StageLight, Inc.

Sealed proposals were received on April 14, 2009 at 11:00 a.m. for the purchase and installation of Theatrical Equipment for the Arts Center project. Texas Scenic, Co., SECOA, Inc. and StageLight, Inc. were the three respondents to this Request for Proposals (RFP).

Once the opening of the proposals was conducted, the UTB and TSC purchasing representatives revised submitted proposals to verify that all RFP bidding requirements were met. The RFP bidding requirements clearly states that proposals excluding any of the documentation requested will be considered as incomplete proposal and will be subject to rejection.

As a result of the verification process, the purchasing representatives declared StageLight, Inc. proposal as an "incomplete proposal" to the RFP # 747-032309-2009 "Theatrical Equipment for the Arts Center". StageLight, Inc. excluded the following documents that were requested as part of the bidding requirements in the section 1.21 and 3 of the RFP document.

1. HUB subcontracting Plan
2. Execution of Offer
3. Proposer's General Questionnaire
4. Addenda Checklist
5. Team resumes
6. Warranty service and support program description

Even though StageLight, Inc. has been disqualified from the process, it is the responsibility of the evaluation committee members to evaluate all submitted proposals for cost, product quality and qualifications comparison among the proposers.

Should you have any questions regarding this information please do not hesitate to contact me.

Theatrical Equipment for the Arts Center

Proposals are due: Tuesday, April 14, 2009 at 11:00 AM at the UTB/TSC Purchasing Office, Tandy 112, 80 Fort Brown, Brownsville, TX 78520.

Note: Mark outside of envelope:
Proposal For: Theatrical Equipment for the Arts Center (title of project)

I have received the documents titled Theatrical Equipment for the Arts Center (title of project) and drawings dated 01-01-08.

I have received Addenda No. (s) 1 and 2, and I have included their provisions in my bid. I have examined both the documents and the site.

In submitting this bid, I agree:

1. To hold price open for a period of ninety (90) days after the Proposal Opening date.

2. To accept the provisions of the Instructions to Bidders regarding dispositions of the Bid Security.

3. To enter into and execute a Contract with the The University of Texas at Brownsville and Texas Southmost College, if awarded on the basis of the Proposal, and to furnish Bonds if required, in accordance with the owners requirements and Instructions to Bidders.

4. To accomplish the work in accordance with the Specifications and Drawings provided.

5. To complete the work by October 2009.

6. All submittals must be completed within 45 days after Notice to Proceed.

Revised 04/06/09
In compliance with the above, I propose to perform all work required for the described project scope of work as follows:

<table>

See attached Letter of Bid Clarification

Revised 04/06/09
Texas Scenic Co.
Theatrical stage equipment
that stands behind
a professional performance.

LETTER OF BID CLARIFICATION

Regarding RFP Number 747-032309-2009

Texas Scenic Company is providing this letter to clarify the scope of work that is included in our pricing for this project.
Texas Scenic Company is currently under contract with Skanska to provide and install the stage rigging system, lighting control system, and portable platform equipment. We are committed to this project, and the successful installation of the stage equipment.

This proposal includes the following general scope of work:
- Section 11061 – Theatrical Pit Filler System
- Section 11062 – Stage Lighting Instruments
- Section 11065 – Acoustical Curtains
- Section 11066 – Concert Enclosure System

We acknowledge addendums 1 and 2

Bid Clarifications:
- The price on the bid proposal is as a complete package. The breakout costs allow you budgeting and costing information. If sections are to be deferred, or deleted from the final package, TSC will need to review the final price.
- TSC has based our pricing on the documents provided with this RFP, which include the specifications for the sections included in the scope, as well as the sections that are associated with the other stage equipment that is under separate contract.
- TSC has based the price on the drawings provided that are dated 01-18-2008.

General Scope clarifications
- Upon receipt of your contract, TSC will provide a schedule of values detailing the equipment, materials and labor costs to be performed.
- To meet the proposed installation schedules TSC will need to receive a contract by May 20th. This will allow time to process the contract, process the submittal package, receive approved drawings, and order materials and hardware.
- TSC will prepare a submittal package for approval by the owner and / or their representatives. Copies of the submittal package will be provided to Skanska for coordination purposes.
  - The submittal package will include drawings of equipment and attachment details.
  - The submittal package will include a bill of materials.
Please allow 4 to 6 weeks for TSC to submit this information.
To expedite some sections, TSC may issue separate submittals for each section.
- TSC will require 12-16 weeks for delivery of equipment from the time we receive approved drawings.
  - TSC will need approved submittals for the pit filler and concert enclosure by July 20th to have equipment delivered and installed by the end of October, 2009.
  - TSC will need a color selection for the acoustical curtains 6 weeks prior to installation of the curtains.
  - Tracks for the acoustical curtains may need to be installed during the submittal and approval process. TSC will work with owner and General contractor to provide sufficient information to allow timely installation.
- Upon completion of the project TSC will provide owners and maintenance manuals, training, and final demonstration of all equipment as required.

The following is a summary of the scope that is included in each section:

Section 11061 – Theatrical Pit Filler System
- Provide and install pit filler system as manufactured by Wenger Corp, and as specified and shown in the drawings
- Owner’s personnel should plan on being available during installation of pit filler to receive training at that time. This will be coordinated prior to installation.

Section 11062 – Stage Lighting Instruments
- Provide stage lighting fixtures in quantities and models as specified
- Owner or owner’s representative to provide information of where the fixtures are to be stored. Hanging and focusing the fixtures is not included in this price as per specification.
  - If the owner would prefer the fixtures to be stored on the battens in the general location where they will eventually be used, TSC is willing to hang them per your light plot if it is provided 3 weeks prior to delivery of the lights.

Section 11065 – Acoustical Curtains
- Provide and install all tracks and hardware, supplemental steel to support track, and supplemental steel to support operating rope and pulleys.
- Provide and install all curtains in sizes indicated on drawings.
  - TSC will verify all dimensions prior to manufacturing the curtains
  - Any changes to sizes of the curtains because of field conditions will be confirmed with the owner prior to manufacturing
- TSC will coordinate installation of the track and supplemental steel with the general contractor.
TSC has discussed with Skanska access to the steel to install supplemental steel to support the track. Costs associated with this access have been included in our proposal price.

- TSC will work with the general contractor to determine the best and safest manner to install the acoustic curtains over the audience area.
  - The timing of the installation and method of safe access to the tracks for installation will be determined in coordination with the general contractor
    - This timing will also be determined by receipt of color selections.
    - It will take at least 6 weeks for TSC to manufacture these curtains from the time we receive the color selection.
  - TSC will make every effort to protect the curtains, tracks and hardware after installation.
  - Once these tracks and curtains are installed as agreed, TSC will not be responsible for damage to the curtains from other trades working after our installation.

Section 11066 – Concert Enclosure System

- Provide and install orchestra enclosure system as manufactured by Wenger Corp, and as specified and shown in the drawings
- Owner’s personnel should plan on being available during installation of orchestra enclosure to receive training at that time. This will be coordinated prior to installation.
- TSC will assist in the positioning of the shell towers during demonstration and training. Marking the stage floor to indicate placement is the responsibility of the owner.

Not included in this proposal is the following:

- All work associated with sections not covered in this proposal. These sections of work are to be performed under separate contract with the general contractor.
- Items indicated in the above summary include
  - Hanging and focusing stage lighting
  - Marking stage for “spike marks” of tower locations for concert enclosure

If there are any questions, please give me a call.

GREAT AMERICAN INSURANCE COMPANY

Attest

STATE OF OHIO, COUNTY OF HAMILTON - ss:

On this 2ND day of FEBRUARY 2009, before me personally appeared DAVID C. KITCHIN, to me known, being duly sworn, depose and say that he resides in Cincinnati, Ohio, that he is a Divisional Senior Vice President of the Bond Division of Great American Insurance Company, the Company described in and which executed the above instrument; that he knows the seal of the said Company; that the seal affixed to the said instrument is such corporate seal; that it was so affixed by authority of its office by the By-Laws of said Company, and that he signed his name thereto by like authority.

DAVID C. KITCHIN (513-412-4602)

This Power of Attorney is granted by authority of the following resolutions adopted by the Board of Directors of Great American Insurance Company by unanimous written consent dated June 9, 2008.

RESOLVED: That the Divisional President, the several Divisional Senior Vice Presidents, Divisional Vice Presidents and Divisional Assistant Vice Presidents, or any one of them, be and hereby is authorized, from time to time, to appoint one or more Attorneys-in-Fact to execute on behalf of the Company, as surety, any and all bonds, undertakings and contracts of suretyship, or other written obligations in the nature thereof; to prescribe their respective duties and the respective limits of their authority; and to revoke any such appointment at any time.

RESOLVED FURTHER: That the Company seal and the signature of any of the aforesaid officers and any Secretary or Assistant Secretary of the Company may be affixed by facsimile to any power of attorney or certificate of either given for the execution of any bond, undertaking, contract of suretyship, or other written obligation in the nature thereof, such signature and seal when so used being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

CERTIFICATION

I, STEPHEN C. BERAHA, Assistant Secretary of Great American Insurance Company, do hereby certify that the foregoing Power of Attorney and the Resolutions of the Board of Directors of June 9, 2008 have not been revoked and are now in full force and effect.

Signed and sealed this 8th day of April 2009.

EXHIBIT B  
HUB SUBCONTRACTING PLAN (HSP)

In accordance with Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, respondents, including State of Texas certified Historically Underutilized Businesses (HUBs), must complete and submit a State of Texas HUB Subcontracting Plan (HSP) with their solicitation response.

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the State of Texas Capacitary Study. The HUB goals defined in 1 TAC §111.13 are: 11.9 percent for heavy construction other than building contracts, 26.1 percent for all building construction, including general contractors and operative builders contracts, 57.2 percent for all special trade construction contracts, 26 percent for professional services contracts, 33 percent for all other services contracts, and 12.8 percent for commodities contracts.

SECTION 1 - RESPONDENT AND SOLICITATION INFORMATION

a. Respondent (Company) Name:  
   Texas Scenic Co., Inc.  
   State of Texas VID #:  74-1466429

b. Point of Contact:  
   Roy Harline  
   Phone #: 210-684-0091 x120

c. Solicitation #:  747-032309-2009

- SUBCONTRACTING INTENTIONS

After having divided the contract work into reasonable lots or portions to the extent consistent with prudent industry practices, the respondent must determine what portion(s) of work, including goods or services, will be subcontracted. Note: In accordance with 1 TAC §111.12, a "Subcontractor" means a person who contracts with a voceror to work, to supply commodities, or contribute toward completing work for a governmental entity. Check the appropriate box that identifies your subcontracting intentions:

☐ - Yes, I will be subcontracting portion(s) of the contract.  
   (If Yes, in the spaces provided below, list the portions of work you will be subcontracting, and go to page 2.)

☒ - No, I will not be subcontracting any portion of the contract, and will be fulfilling the entire contract with my own resources. (If No, complete SECTION 9 and 10.)

APPENDIX THREE  
Page 1 of 3
EXHIBIT B

Enter your company’s name here: Texas Scenic Co., Inc.  Solicitation #: 747-032309-200

IMPORTANT: You must complete a copy of this page for each of the subcontracting opportunities you listed in SECTION 2. You may photocopy this page or download copies at http://www.tbp.state.tx.us/communitys/collections/proc-hub/hub-forms/asp_sed05_conn12.doc

SECTION 3 - SUBCONTRACTING OPPORTUNITY

Enter the line item number and description of the subcontracting opportunity you listed in SECTION 2

Line Item #  Description:

SECTION 4 - MENTOR-PROTÉGÉ PROGRAM

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting their Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the portion of work (subcontracting opportunity) listed in SECTION 3 constitutes a good faith effort towards that specific portion of work. Will you be subcontracting the portion of work listed in SECTION 3 to your Protégé?

☐ - Yes (If Yes, complete SECTION 3 and 10) ☐ - No / Not Applicable (If No or Not Applicable, go to SECTION 5)

SECTION 5 - PROFESSIONAL SERVICES CONTRACTS ONLY

This section applies to Professional Services Contracts only. All other contracts go to SECTION 6.

Does your HUB contain subcontracting of 20% or more with HUB(s)?

☐ - Yes (If Yes, complete SECTION 3 and 10) ☐ - No / Not Applicable (If No or Not Applicable, go to SECTION 5)

In accordance with Govt Code §2254.004, “Professional Services” means services: (A) within the scope of the practice, as defined by state law of accounting; architecture; landscape architecture; land surveying; medicine; optometry; professional engineering; real estate appraising; or professional nursing; or (B) provided in connection with the professional employment or practice of a person who is licensed or registrared as a certified public accountant; an architect; a landscape architect; a land surveyor; a physician, including a surgeon; an optometrist; a professional engineer; a state certified or state licensed real estate appraiser or a registered nurse.

SECTION 6 - NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

Complying with a, b, and c of this section constitutes Good Faith Effort towards the portion of work listed in SECTION 3. After performing the requirements of this section, complete SECTION 7, 8 and 10.

a. Provide written notification of the subcontracting opportunity listed in SECTION 3 to three (3) or more HUBs. Use the State of Texas Centralized Master Bidders List (CMBL), found at http://www2.tbp.state.tx.us/cmbi/cmblhub.html and its HUB Directory, found at http://www2.tbp.state.tx.us/cmbi/hubonly.html, to identify available HUBs. Note: Attach supporting documentation (letters, phone logs, fax transmittals, electronic mail, etc.) demonstrating evidence of the good faith effort performed.

b. Provide written notification of the subcontracting opportunity listed in SECTION 3 to a minority or women trade organization or development center to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. A list of trade organizations and development centers may be accessed at http://www.tbp.state.tx.us/hub/minoritywomenbuslinks.html. Note: Attach supporting documentation (letters, phone logs, fax transmittals, electronic mail, etc.) demonstrating evidence of the good faith effort performed.

c. Written notifications should include the scope of the work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identity a contact person. Unless the contracting agency has specified a different time period, you must allow the HUBs no less than five (5) working days from their receipt of notice to respond, and provide notice of your subcontracting opportunity to a minority or women trade organization or development center no less than five (5) working days prior to the submission of your response to the contracting agency.

SECTION 7 - HUB FIRMS CONTACTED FOR SUBCONTRACTING OPPORTUNITY

List three (3) State of Texas certified HUBs you notified regarding the portion of work (subcontracting opportunity) listed in SECTION 3. Specify the vendor ID number, date you provided notice, and if you received a response. Note: Attach supporting documentation (letters, phone logs, fax transmittals, electronic mail, etc.) demonstrating evidence of the good faith effort performed.

*If the subcontractor(s) you selected is not a Texas certified HUB, provide written justification of your selection process below:
Texas Scenic Company will manufacture curtains and tracks, orchestra enclosure and pit filler and fixtures are purchased from specified vendors and installed by TSC and are not subcontractor opportunities.

SECTION 10 - AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP are true and correct. Respondent understands and agrees that, if awarded any portion of the solicitation:

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report - PAR) to the contracting agency, verifying their compliance with the HSP, including the use/expenditures they have made to subcontractors. (The PAR is available at http://www.tbcc.state.tx.us/communities/procurement/proc/hub/hub-forms/progressassessment.pdf)

- The respondent must seek approval from the contracting agency prior to making any modifications to their HSP. If the HSP is modified without the contracting agency’s prior approval, the respondent may be subject to debarment pursuant to Gov’t Code §2161.253(d).

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company’s headquarters and/or work site where services are to be performed and must provide documents regarding staff and other resources.

EXECUTION OF OFFER

THIS EXECUTION OF OFFER MUST BE COMPLETED, SIGNED AND RETURNED WITH PROPOSER'S PROPOSAL. FAILURE TO COMPLETE, SIGN AND RETURN THIS EXECUTION OF OFFER WITH THE PROPOSER'S PROPOSAL MAY RESULT IN THE REJECTION OF THE PROPOSAL.

2.1 By signature hereon, Proposer represents and warrants the following:

2.1.1 Proposer acknowledges and agrees that (1) this RFP is a solicitation for a proposal and is not a contract or an offer to contract; (2) the submission of a proposal by Proposer in response to this RFP will not create a contract between University and Proposer; (3) University has made no representation or warranty, written or oral, that one or more contracts with University will be awarded under this RFP; and (4) Proposer will bear, as its sole risk and responsibility, any cost arising from Proposer's preparation of a response to this RFP.

2.1.2 Proposer is a reputable company that is lawfully and regularly engaged in providing the Services.

2.1.3 Proposer has the necessary experience, knowledge, abilities, skills, and resources to perform the Services.

2.1.4 Proposer is aware of, is fully informed about, and is in full compliance with all applicable federal, state and local laws, rules, regulations and ordinances.

2.1.5 Proposer understands (i) the requirements and specifications set forth in this RFP and (ii) the terms and conditions set forth in the Agreement under which Proposer will be required to operate.

2.1.6 If selected by University, Proposer will not delegate any of its duties or responsibilities under this RFP or the Agreement to any sub-contractor, except as expressly provided in the Agreement.

2.1.7 If selected by University, Proposer will maintain any insurance coverage as required by the Agreement during the term thereof.

2.1.8 All statements, information and representations prepared and submitted in response to this RFP are current, complete, true and accurate. Proposer acknowledges that University will rely on such statements, information and representations in selecting the Contractor. If selected by University, Proposer will notify University immediately of any material change in any matters with regard to which Proposer has made a statement or representation or provided information.

2.1.9 PROPOSER WILL DEFEND WITH COUNSEL APPROVED BY UNIVERSITY, INDEMNIFY, AND HOLD HARMLESS UNIVERSITY, THE UNIVERSITY OF TEXAS SYSTEM, THE STATE OF TEXAS, AND ALL OF THEIR REGENTS, OFFICERS, AGENTS AND EMPLOYEES FROM AND AGAINST ALL ACTIONS, SUITS, DEMANDS, COSTS, DAMAGES, LIABILITIES AND OTHER CLAIMS OF ANY NATURE, KIND OR DESCRIPTION, INCLUDING REASONABLE ATTORNEYS' FEES INCURRED IN INVESTIGATING, DEFENDING OR SETTLING ANY OF THE FOREGOING, ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM ANY NEGLIGENT ACTS OR OMISSIONS OR WILLFUL MISCONDUCT OF PROPOSER OR ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER OF PROPOSER IN THE EXECUTION OR PERFORMANCE OF ANY CONTRACT OR AGREEMENT RESULTING FROM THIS RFP.

2.1.10 Pursuant to Sections 2107.008 and 2252.903, Government Code, any payments owing to Proposer under any contract or agreement resulting from this RFP may be applied directly to any debt or delinquency that Proposer owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.

2.2 By signature hereon, Proposer offers and agrees to furnish the Services to University and comply with all terms, conditions, requirements and specifications set forth in this RFP.

2.3 By signature hereon, Proposer affirms that it has not given or offered to give, nor does Proposer intend to give at any time hereafter, any economic opportunity; future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with its submitted proposal. Failure to sign this Execution of Offer or signing with a false statement, may void the submitted proposal or any resulting contracts, and the Proposer may be removed from all proposal lists at University.

2.4 By signature hereon, Proposer certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, Tax Code, or that Proposer is exempt from the payment of those taxes, or that Proposer is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable. A false certification will be deemed a material breach of any resulting contract or agreement and, at University's option, may result in termination of any resulting contract or agreement.

2.5 By signature hereon, Proposer hereby certifies that neither Proposer nor any firm, corporation, partnership or institution represented by Proposer, or anyone acting for such firm, corporation or institution, has violated the antitrust laws of the State of Texas, codified in Section 15.01, et seq., Business and Commerce Code, or the Federal antitrust laws, nor communicated directly or indirectly the proposal made to any competitor or any other person engaged in such line of business.
EXHIBIT C

2.6 By signature hereon, Proposer certifies that the individual signing this document and the documents made a part of this RFP, is authorized to sign such documents on behalf of Proposer and to bind Proposer under any agreements and other contractual arrangements that may result from the submission of Proposer’s proposal.

2.7 By signature hereon, Proposer certifies as follows:

"Under Section 231.006, Family Code, relating to child support, Proposer certifies that the individual or business entity named in the Proposer’s proposal is not ineligible to receive the specified contract award and acknowledges that any agreements or other contractual arrangements resulting from this RFP may be terminated if this certification is inaccurate."

2.8 By signature hereon, Proposer certifies that (i) no relationship, whether by blood, marriage, business association, capital funding agreement or by any other such kinship or connection exists between the owner of any Proposer that is a sole proprietorship, the officers or directors of any Proposer that is a corporation, the partners of any Proposer that is a partnership, the joint venturers of any Proposer that is a joint venture or the members or managers of any Proposer that is a limited liability company, on one hand, and an employee of any component of The University of Texas System, on the other hand, other than the relationships which have been previously disclosed to University in writing and (ii) Proposer has not been an employee of any component institution of The University of Texas System within the immediate twelve (12) months prior to the Submittal Deadline. All disclosures by Proposer in connection with this certification will be subject to administrative review and approval before University enters into a contract or agreement with Proposer.

2.9 By signature hereon, Proposer certifies that in accordance with Section 2155.004, Government Code, no compensation has been received for its participation in the preparation of the requirements or specifications for this RFP. In addition, Proposer certifies that an award of a contract to Proposer will not violate Section 2155.006, Government Code, prohibiting University from entering into a contract that involves financial participation by a person who, during the previous five years, has been convicted of violating federal law or assessed a penalty in a federal civil or administrative enforcement action in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Rita, Hurricane Katrina, or any other disaster occurring after September 24, 2005. Pursuant to Sections 2155.004 and 2155.006, Government Code, Proposer certifies that Proposer is not ineligible to receive the award of or payments under the Agreement and acknowledges that the Agreement may be terminated and payment withheld if these certifications are inaccurate.

2.10 By signature hereon, Proposer certifies its compliance with all federal laws and regulations pertaining to Equal Employment Opportunities and Affirmative Action.

2.11 By signature hereon, Proposer represents and warrants that all products and services offered to University in response to this RFP meet or exceed the safety standards established and promulgated under the Federal Occupational Safety and Health Law (Public Law 91-596) and the Texas Hazard Communication Act, Chapter 902, Health and Safety Code, and all related regulations in effect or proposed as of the date of this RFP.

2.12 Proposer will and has disclosed, as part of its proposal, any exceptions to the certifications stated in this Execution of Offer. All such disclosures will be subject to administrative review and approval prior to the time University makes an award or enters into any contract or agreement with Proposer.

2.13 Proposer should complete the following information:

If Proposer is a Corporation, then State of incorporation: Texas

If Proposer is a Corporation then Proposer’s Corporate Charter Number: 18981900

PROPOSER’S GENERAL QUESTIONNAIRE

NOTICE: WITH FEW EXCEPTIONS, INDIVIDUALS ARE ENTITLED ON REQUEST TO BE INFORMED ABOUT THE INFORMATION THAT GOVERNMENTAL BODIES OF THE STATE OF TEXAS COLLECT ABOUT SUCH INDIVIDUALS. UNDER SECTIONS 552.021 AND 552.023, GOVERNMENT CODE, INDIVIDUALS ARE ENTITLED TO RECEIVE AND REVIEW SUCH INFORMATION. UNDER SECTION 559.004, GOVERNMENT CODE, INDIVIDUALS ARE ENTITLED TO HAVE GOVERNMENTAL BODIES OF THE STATE OF TEXAS CORRECT INFORMATION ABOUT SUCH INDIVIDUALS THAT IS INCORRECT.

Proposals must include responses to the questions contained in this Proposer’s General Questionnaire. Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer will explain the reason when responding N/A or N/R.

3.1 Proposer Profile

3.1.1 Legal name of Proposer company:

Texas Scenic Company, Inc.

Address of principal place of business:

5423 Jackwood Dr.
San Antonio, TX 78238-1833

Address of office that would be providing service under the Agreement:

Same as above

Number of years in Business: 72 yrs

State of incorporation: Texas

Number of Employees: 108

Annual Revenues Volume: 28,000,000.00

Name of Parent Corporation, if any: N/A

NOTE: If Proposer is a subsidiary, University prefers to enter into a contract or agreement with the Parent Corporation or to receive assurances of performance from the Parent Corporation.

3.1.2 State whether Proposer will provide a copy of its financial statements for the past two (2) years, if requested by University.

3.1.3 Proposer will provide a financial rating of the Proposer entity and any related documentation (such as a Dunn and Bradstreet analysis) that indicates the financial stability of Proposer.

3.1.4 Is Proposer currently for sale or involved in any transaction to expand or to become acquired by another business entity? If yes, Proposer will explain the expected impact, both in organizational and directional terms.

3.1.5 Proposer will provide any details of all past or pending litigation or claims filed against Proposer that would affect its performance under an Agreement with University (if any).

3.1.6 Is Proposer currently in default on any loan agreement or financing agreement with any bank, financial institution, or other entity? If yes, Proposer will specify the pertinent date(s), details, circumstances, and describe the current prospects for resolution.

3.1.7 Proposer will provide a customer reference list of no less than three (3) organizations with which Proposer currently has contracts and/or to which Proposer has previously provided services (within the past five (5) years) of a type and scope similar to those required by University’s RFP. Proposer will include in its customer reference list the customer’s company name, contact person, telephone number, project description, length of business relationship, and background of services provided by Proposer.
3.1.8 Does any relationship exist (whether by family kinship, business association, capital funding agreement, or any other such relationship) between Proposer and any employee of University? If yes, Proposer will explain.

3.1.9 Proposer will provide the name and Social Security Number for each person having at least 25% ownership interest in Proposer. This disclosure is mandatory pursuant to Section 231.006, Family Code, and will be used for the purpose of determining whether an owner of Proposer with an ownership interest of at least 25% is more than 30 days delinquent in paying child support. Further disclosure of this information is governed by the Texas Public Information Act, Chapter 552, Government Code, and other applicable law.

3.2 Approach to Project Services

3.2.1 Proposer will provide a statement of the Proposer’s service approach and will describe any unique benefits to University from doing business with Proposer. Proposer will briefly describe its approach for each of the required services identified in Section 5.4 Scope of Work of this RFP.

3.2.2 Proposer will provide an estimate of the earliest starting date for services following execution of an Agreement.

3.2.3 Proposer will submit a work plan with key dates and milestones. The work plan should include:

3.2.3.1 Identification of tasks to be performed;
3.2.3.2 Time frames to perform the identified tasks;
3.2.3.3 Project management methodology;
3.2.3.4 Implementation strategy; and
3.2.3.5 The expected time frame in which the services would be implemented.

3.2.4 Proposer will describe the types of reports or other written documents Proposer will provide (if any) and the frequency of reporting, if more frequent than required in the RFP. Proposer will include samples of reports and documents if appropriate.

3.3 General Requirements

3.3.1 Proposer will provide summary resumes for its proposed key personnel who will be providing services under the Agreement with University, including their specific experiences with similar service projects, and number of years of employment with Proposer.

3.3.2 Proposer will describe any difficulties it anticipates in performing its duties under the Agreement with University and how Proposer plans to manage these difficulties. Proposer will describe the assistance it will require from University.

3.4 Service Support

Proposer will describe its service support philosophy, how it is implemented, and how Proposer measures its success in maintaining this philosophy.

3.5 Quality Assurance

Proposer will describe its quality assurance program, its quality requirements, and how they are measured.

3.6 Miscellaneous

3.6.1 Proposer will provide a list of any additional services or benefits not otherwise identified in this RFP that Proposer would propose to provide to University. Additional services or benefits must be directly related to the goods and services solicited under this RFP.

3.6.2 Proposer will provide details describing any unique or special services or benefits offered or advantages to be gained by University from doing business with Proposer. Additional services or benefits must be directly related to the goods and services solicited under this RFP.

3.6.3 Does Proposer have a contingency plan or disaster recovery plan in the event of a disaster? If so, then Proposer will provide a copy of the plan.

To whom it may concern,

Wenger Corporation has been in the business of manufacturing music performance equipment to the music education and performance industry for over 60 years. Orchestra Shells, Orchestra Pit Filler, and Portable Staging have been part of Wenger’s offering for over 40 years.

**Orchestra Shells.** Wenger Corporation has been manufacturing orchestra shells for over 40 years, and a number of models have been developed and updated. The current models are the DIVA and Forte, and the DIVA has been the industry standard since it was developed in 1995. Wenger has over the years provided a number of custom orchestra shells that were designed by acousticians and theatre consultants.

**Pit-fillers,** in the beginning our Showmaster product was customized to adapt to orchestra pit shape conditions. In approximately 1986, we adapted our standard Versalite staging product for orchestra pit filler shapes, which was greatly received because of its reduced weight. Most recently, (2001) Wenger launched the Strata Orchestra pit filler product. The product addresses the needs of the industry with its honeycomb core deck material. The deck has superior sound resistance capability.

**Portable Risers** – Portable risers and staging are the core of Wenger’s product offering, and have been manufactured by Wenger for over 60 years. There are a number of product offerings in this category. Versalite is provided to customers most often and has been manufactures at our facility since 1986. This product is highly customizable to address customer application needs.

Again, Wenger has a long history of providing music performance equipment to the music education and performance industry, and if additional information is required, please feel free to contact me. My phone number and e-mail address is listed below.

The Tempe Centre for the Arts (TCA), a 88,000 square-foot facility, was completed in 2007. It was designed by the team of Barton Myers Associates and Architekton. TCA hosts regional performing and visual arts events and is the home to several children's performance groups.

Texas Scenic Company is pleased to have been selected as the single source stage equipment provider and system integrator for the multi-space facility.

For the proscenium theatre, TSC provided 71 sets of counterweight rigging, motorized rigging for lighting electrics and shell ceiling panels, stage, acoustical and decorative curtains. A Gala pit lift, a Wenger shell manufactured from Honduran mahogany, and ETC dimming and controls and stage lighting fixtures were also installed in the theatre space. For the studio TSC provided motorized acoustical banners, portable rigging equipment, ETC dimming and control and lighting fixtures. Curtains, tracks and dimming and control systems were also provided for the lakeside meeting rooms and gallery spaces.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

The Stewart Morris Cultural Arts Center at Houston Baptist University, Houston, Texas was completed in 2007.

This state of the art facility houses the 365-seat Mary Ann and Bruce Belin chapel and recital hall, a 1,200-seat University Theatre, and several museums.

Texas Scenic Company is pleased to have provided all of the theatrical stage equipment for the chapel and theatre, which were designed by theatre consultant Bill Conner.

The large array of equipment includes 29 sets of counterweight rigging, stage and acoustical draperies in the chapel and the theatre space, a Wenger orchestra pit filler, ETC dimmer racks and lighting controls, theatrical lighting fixtures from ETC and Altman and Canto followspots.

TSC also worked with Tomcat USA to provide a custom architectural piece in the chapel consisting of connected circular trusses with nine Plexiglas acoustic reflectors designed to hang above the chapel cross.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

The Globe News Center for the Performing Arts
Amarillo, Texas

The Globe News Center for the Performing Arts in Amarillo, Texas was completed in 2006.

This state of the art facility serves as the home to both the Amarillo Symphony and Opera. The building’s exterior design is based upon the local Palo Duro Canyon landscape, with a modern interior unlike any facility in this part of the country.

Texas Scenic Company is pleased to have provided all of the theatrical stage equipment for this project, which was designed by theatre consultant Robert Davis. The large array of equipment includes a large quantity of counterweight and motorized rigging, a rigid frame motorized fire curtain, stage and acoustical draperies, a screw jack orchestra pit lift, a large quantity of ETC dimmer racks and custom networked controls and over 500 lighting fixtures. TSC also provided the audio systems for the project, which were designed by Jaffe Holden & Associates.

The Schermerhorn Symphony Center in Nashville is home to the highly regarded Nashville Symphony and hosts over 100 performances annually. The Center opened in 2006 and was inspired by the great European concert halls of the 19th century. The 1,860 seat Laura Turner Concert Hall was designed to host a variety of performances including classical, pops, cabaret, choral, jazz and blues by utilizing an automated system of moveable banners and panels located around the hall to adjust the acoustics.

Texas Scenic Company provided and installed a series of motorized rigging battens for lighting purposes, motorized rigging for chandelier hoists and an assortment of motorized acoustical banner systems which allow the Concert Hall to be tuned for each type of performance; via a microprocessor based control system which offers a variety of presets for quick re-configuration of the room.

TSC also provided and installed four GALA lift systems which function as traditional orchestra lifts as well as allowing for the storage of the elevated floor system in the basement of the Hall.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

Marie P. DeBartolo Center for the Performing Arts
University of Notre Dame
South Bend, Indiana

TSC recently completed the installation of stage equipment at the stunning new Marie P. DeBartolo Center for the Performing Arts at the University of Notre Dame. The project covers over 150,000 square feet and consists of four spaces which can be used for live performances, a THX-certified cinema, a television soundstage and a recording studio.

The largest theatrical space is the Leighton Concert Hall, a space designed primarily for a symphony orchestra, but which can be used for many other types of performances. Texas Scenic Company provided multiple types of custom acoustical panels for the hall and installed a custom acoustical reflector package over the stage. All of the acoustic devices are controlled via a custom microprocessor based control system to allow for different acoustic presets.

The Decio Mainstage Theatre is a traditional venue for drama. TSC provided 40 counterweight rigging sets, fire curtain, adjustable proscenium towers and a chain motor-control system. For the TV studio, TSC provided a pipe grid, curtains and a track system. For the cinema, TSC provided a motorized masking system with a microprocessor based control system that allows presets for showing different format movies and images.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

Charles W. Eisemann Center
Richardson, Texas

The Charles W. Eisemann Center was designed to meet the needs of both the performing arts and corporate worlds in the north Dallas metropolitan area with three distinct spaces.

The 1,550-seat Margaret and Al Hill Performance Hall is used for music, dance, theatre, concerts and other performing arts attractions. TSC manufactured and installed a counterweight rigging system consisting of 50 single speed sets, three motorized line-shaft sets for the orchestra shell, motorized fire curtain and a complete set of stage curtains and tracks. TSC also provided a pit lift, sound and platform packages, theatrical lighting and an ETC dimming system with 384 dimmers in four Sensor racks, a network system and Expression 3-800 Control Console.

The Eisemann Center Theatre, with seating capacity from 250 to 400, is a more informal space which can be configured for either traditional or thrust-stage performances. TSC manufactured and installed stage equipment for the space including a counterweight rigging system with 25 single speed sets, motorized fire curtain and a complete set of stage curtains and tracks. The stage equipment also included lighting fixtures, wire tension grid panels, sound package, stage platforms and an ETC dimming system with 288 dimmers in four Sensor racks, a network system and an Express 250 Control Console.

The third area is a large multipurpose room which is furnished with a large ETC Unison architectural dimming and control system that is networked with the other performance areas.

The Majestic Performing Arts Center and Charline McCombs Empire Theatre
San Antonio, Texas

The Majestic Performing Arts Center and Charline McCombs Empire Theatre, both owned by the city of San Antonio, are the jewels of the downtown arts district.

The Majestic was designed and built in 1929 by John Eberson and is one of his few remaining "atmospheric" theatres. After falling into disrepair, the theatre was renovated and reopened in 1989 as the home of the San Antonio Symphony and a venue for touring Broadway shows. In 1996, the Majestic was renovated again to significantly increase the stage house.

TSC was involved in both renovations, manufacturing and installing new stage curtains, counterweight rigging and installing new theatrical stage lighting and dimming systems. During the stage house expansion, TSC manufactured additional counterweight rigging sets and installed a state of the art orchestra shell.

The Charline McCombs Empire Theatre was built in 1913, and shares a back wall with the Majestic. It hosted live entertainment and movies for many years. It was renovated and reopened in 1998 as a beautiful and intimate venue for live performances. TSC manufactured and installed all new stage curtains, theatrical lighting and dimming systems and counterweight rigging for the theatre.

The Plaza Theatre
El Paso, Texas

El Paso’s Spanish Colonial Revival style Plaza Theatre has been a community landmark since 1930 when it opened as a film house with the flexibility of hosting stage shows. Like many theatres of its type and age, it fell into disuse in the 1970s and was saved from demolition by a community fund raising campaign to restore the facility to its original splendor.

The facility has two main performance spaces: the 2,000 seat Kendle Elizabeth Kidd Performance Hall used for professional dance, music and theatrical performances and the 184-seat Philanthropy Theatre used for community functions, corporate meetings and recitals. It is also the home to one of the country’s few Mighty Wurlitzer Organs, which was restored and returned to the theatre during the recent renovations.

Texas Scenic Company was selected as the stage equipment contractor for both performance spaces. Working with the theatre consultants of Schuler Shook Inc., TSC supplied all replica stage and architectural draperies, 65 sets of counterweight rigging, a motorized fire curtain, orchestra pit lift and organ lift for the main theatre. For the Philanthropy Theatre TSC supplied 14 dead hung sets, stage curtains and motorized track assemblies for the window curtains. TSC also supplied Strand Lighting dimming, control and fixtures packages to both spaces as well as Super Trouper follow spots from Strong Entertainment Lighting.

Jesse H. Jones Hall for the Performing Arts
Houston, Texas

Opened in 1966, Jones Hall is the first of noted theater designer George Izenour's multi-purpose performance halls. The facility serves as the home for the Houston Symphony Orchestra and also hosts touring shows brought in by the Society for the Performing Arts.

A new orchestra shell with greater flexibility was needed by the Symphony to meet its expanded programming. The new equipment needed to fit into the loft space without compromising the existing counterweight rigging sets and allow for a rapid changeover for stage productions.

The work performed by TSC included manufacturing and installing custom acoustical ceiling panels, along with installing a new orchestra shell. TSC provided a custom motorized rigging system which allows for computerized positioning of the panels. In addition to the basic up and down movement of the panels, the system allows for changing each panel's angle of tilt in relation to the ceiling. The presets provide for five different performance configurations: full orchestra, pops, solo/quartet, chamber and orchestra with chorus. TSC also installed a new stage dimming system and stage lighting fixtures.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

Alys Robinson Stephens Performing Arts Center, University of Alabama-Birmingham
Birmingham, Alabama

The Alys Robinson Stephens Center at the University of Alabama-Birmingham supports the university's educational programs in music and theater, as well as providing cultural enrichment and world-class entertainment for both campus and community.

This multipurpose facility, completed in 2000, includes three venues. The Morris K. Sirote Theatre is a 350-seat proscenium theatre hosting performances by UAB's Department of Theatre. The Odess Theatre is one of the most technically advanced experimental black box theatres in the state. The 150-seat Reynolds-Kirschbaum Recital Hall hosts performances of UAB's Department of Music.

The equipment manufactured and installed by TSC includes both counterweight and motorized rigging, utilizing PLC based controls in all three spaces. Along with the rigging, the programmable rigging control system operates a motorized lift curtain and acoustic draperies. Stage lighting, dimming and control systems in all spaces allow for unlimited design capabilities. A custom pit filler was also provided.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

Murchison Performing Arts Center, University of North Texas
Denton, Texas

The $17 million, 72,500-square-foot Murchison Center is the showpiece of the University of North Texas' renowned College of Music, which has had great success in getting its students onto the world stage.

The facility contains the 1,100-seat Margot and Bill Winspear Concert Hall, a 400-seat Lyric Theater for opera and musicals, and an assortment of rehearsal rooms, support spaces, and faculty offices. The Center opened in Spring 1999, and hosts over 1,000 performances each year.

TSC was selected as stage equipment contractor for the project. The scope of the work included manufacturing and installing a series of custom motorized overhead acoustical reflectors, including three moving panels weighing 6,000 pounds each, a series of motorized tuning lift curtains and four dead hung pentagon reflectors. TSC also installed a complete set of acoustical draperies in the main concert hall.

In the Lyric Theatre, a flexible, experimental space, TSC manufactured and installed counterweight rigging and stage and acoustical curtains.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

New Orleans Center for the Creative Arts
New Orleans, Louisiana

The New Orleans Center for the Creative Arts (NOCCA-Riverfront) opened its new $23 million performing arts high school in 2000. The facility, located near the French Market in the heart of New Orleans, combines new construction along with the renovation of old, historical warehouses. NOCCA provides preprofessional arts training for secondary school age children.

The campus includes the Lupin Hall, a 380-seat proscenium theater for dance and music performances and a 130-seat studio laboratory theater for teaching and performance. There are also dance studios, a jazz recital room, an audio/video media production studio, an art gallery and choral and instrumental rehearsal room.

As stage equipment contractor for the project, TSC manufactured and installed all of the stage equipment for the main theatre, experimental theatre, TV studio and the jazz recital club. This included 42 sets of counterweight rigging, a complete set of stage curtains including a custom main drape and pipe grids. TSC also supplied stage and architectural lighting, dimming and control for the facility.

Texas Scenic Company, established in 1936, is a stage equipment contractor based in San Antonio, Texas. TSC designs, manufactures and installs stage, studio and theatrical equipment for educational, entertainment and broadcast facilities.

Texas Scenic Company is one of the leading stage equipment contractors and theatrical systems integrators in the country.

A commitment to service and quality is the cornerstone of our success and is unmatched in the industry. All types of stage curtains, rigging, lighting fixtures, dimming and control systems must work as they were designed. Whether it is installed in a small high school or the newest multi-million dollar performing arts center, all stage equipment must meet our customer’s expectations.

When Adolph and Martha Beck founded TSC in 1936 in an old San Antonio theatre building, they pooled a small amount of money and a very large amount of determination and integrity. Their idea was to design, build and install theatrical stage equipment. Over the next 70 years, our business has expanded to include all types of stage equipment for every kind of performance space.

Texas is still our home, but today TSC’s satisfied customers can be found throughout the world. President Glenn C. Martin III, the Beck’s grandson, continues the family tradition of talented and skilled hands, facility and services. We believe our industry is able, state-of-the-art and we believe in our employees.

We invite you to join us in celebrating 75 years of service and quality.
Texas Scenic Company designs, manufactures and installs the theatrical stage equipment that stands behind professional performances worldwide. We provide counterweight and motorized stage rigging, lighting, dimming and control equipment, stage and acoustical curtains, orchestra pit lifts and shells and other custom stage equipment.

We work with architects, engineers, owners, theatre consultants, lighting designers and contractors to create systems and equipment that meet everyone's expectations. We supply everything from the smallest stage hardware, to sophisticated motorized rigging systems. Our work can be found in performing arts centers, theme parks, churches, schools, broadcast facilities, hotels, museums, convention centers and civic facilities.

No matter how large or small the project, our highly qualified sales and design staff is available to assist in all aspects of new construction or renovation. Some projects require simple off the shelf solutions and others need custom equipment. No matter what the level of sophisticated projects in our factories, every manufacturing in everything we develop our systems, we exc care. When is that the equipment is ready for us to assured that for many ye...

RBM:mg
The Business Affairs Partnership Committee met on Thursday, March 16 and discussed the following items:

1. **Consideration and possible action on approval of Budget Amendments for FY2009**

   Budget amendments #09-002 to #09-009 are necessary to adjust the expenses for fiscal agent fees for the arbitrage rebate calculations.

   
   "The Committee recommends and I move to approve Budget Amendments #09-002 to #09-009 for Fiscal Year 2009 as presented."

2. **Consideration and possible action on approval of Proposal for Annual Financial Audit**

   Long and Chilton were selected to conduct the District’s audit in April 2007. The contract was for one year with the option to renew for two additional years. Last year, the District exercised their option to extend the contract for one more year. Staff recommendation is to extend the contract for one additional year and go out for bids in Fiscal Year 2010.

   "The Committee recommends and I move to select Long Chilton to conduct the District’s audit for Fiscal Year 2008-2009 for $32,235 as presented."

3. **Consideration and possible action on quote from PUB for overhead to underground utilities conversion**

   In keeping with the Master Plan values, this contract is to put utilities underground in front of the former Newman Center, which is being renovated for Campus Police.

   "The committee recommends and I move to award PUB the overhead to underground utilities conversion in the amount of $40,029.46 as presented."

That concludes my report.
Department/Division: Finance Office/Partnership Affairs

Board Meeting Date: April 23, 2009

Agenda Item:
Consideration and possible action on Budget Amendments for Fiscal Year 2009

Rationale/Background:

The budget amendments are necessary to adjust fiscal agent fees for continuing disclosure and arbitrage calculations fees incurred through year end.

Recommended Action:
Motion to approve budget amendments #09-002, #09-003, #09-004, #09-005, #09-006, #09-007, #09-008, #09-009 for Fiscal Year 2009 as presented.

Fiscal Implications: Budgeted Item: x Yes □ No □ N/A If no, explain:

Attachments (List):

Budget Amendments:

**Department/Division:**
Finance Office/Partnership Affairs

**Board Meeting Date:**
April 24, 2009

**Agenda Item:**
Consideration and possible action on approval of proposal for Annual Financial Audit.

**Rationale/Background:**
In April 2008, the District selected Long Chilton, LLP to conduct the audit for the fiscal year ending August 31, 2008, with an option to extend for one year.

Staff is pleased with Long Chilton, LLP’s service and has had a successful relationship with this firm. The District with the assistance from Long Chilton received the Certificate of Achievement for Excellence in financial reporting from the Government Finance Officers Association for the fiscal year ending August 31, 2007.

Although policy allows us to change audit firms every year, it is not mandated and would be both costly and inefficient to do so.

Staff recommends that the Board accept the proposal by Long Chilton, LLP to provide auditor services for Fiscal Year 2009 in the amount of $32,235 ($25,035 TSC District, $5,200 Carl Perkins and $2,000 TSC Foundation).

**Recommended Action:**
Motion to select Long Chilton to conduct the District’s audit for Fiscal Year 2008-2009 for $32,235.

**Fiscal Implications:**

Brownsville, TX 78521

RE: Overhead to Underground Conversion

Mr. Avalos,

In response to your second Request for Quote (RFQ), the Brownsville Public Utilities Board (BPUB) Electrical Engineering Department has prepared two construction estimates to convert existing overhead electrical facilities to underground electrical facilities. The addition of one (1) electrical service added to your primary meter is also included in each of the estimates. Please consider the following:

1. UTB/TSC to pay the contribution amount of $33,581.44 for all labor, material and equipment costs. The cost of this option is based upon the minimum labor, material and equipment necessary to accommodate your conversion request. Refer to drawing “WO20649_DWG_OP1.pdf” in the attached.

2. UTB/TSC to pay the contribution amount $40,029.46 for all labor, material and equipment costs necessary to accommodate your conversion request and relocate electrical equipment from BPUB design areas. Refer to drawing “WO20935_DWG_OP2.pdf” in the attached.

I have attached construction estimates for your review and consideration. If you agree to move ahead with any of the options, please provide a check in the amount noted payable to the Brownsville Public Utilities Board. If you have any questions, please call me at (956) 983-6216.

Sincerely,

Cesar A. Cortinas
Electrical Engineering Tech I

Please circle the option you would like to implement and return a signed copy via fax to (956) 983-6220.

I agree to the above option 1 or 2

**Agenda Item:**
Consideration and possible action on Resolution Authorizing the Commencement of Proceedings Relating to the Issuance of Limited Tax Bonds, Appointing District Advisors and Consultants; and Other Matters Related Thereto

**Rationale/Background:**
The Tax Bonds authorized by the voters in November 2004 call for a series of bond issuances up to $68 million. There have been four bond issuances of $20 million in 2005, $25 million in 2006, $14 million in 2007 and $5 million in 2008. This would constitute the final limited tax bond issuance in an amount of $4 million.

Financing options for this next issuance of Tax Bonds and Maintenance Tax Notes were presented at the Board’s workshop on February 20 - 21, 2009.

**Recommended Action:**
Motion to Adopt a Resolution Authorizing the Commencement of Proceedings Relating to the Issuance of Limited Tax Bonds, Appointing District Advisors and Consultants; and Other Matters Related Thereto
