Minutes of the Regular Meeting of the Board of Trustees

May 17, 2010

The Board of Trustees of the Texas Southmost College District convened in open session on May 17, 2010, at 5:30 p.m., in the Board Room of Gorgas Hall at The University of Texas at Brownsville and Texas Southmost College. Board members present were David Oliveira, Chair; Eduardo A. Campirano, Vice Chair; Dr. Roberto Robles, Secretary; Rosemary Breedlove; Adela G. Garza; Chester Gonzalez; and René Torres. Also present was Dr. Juliet V. Garcia, President of The University of Texas at Brownsville and Texas Southmost College.

Call to Order

The meeting was called to order by Chairman Oliveira at 5:31 p.m.

1. Announcement

Chairman Oliveira called on Dr. Alan Artibise, Provost, to make an introduction. Dr. Artibise introduced Mr. Rene Villarreal, as the new Associate Vice President for Enrollment Planning. Mr. Villarreal thanked everyone for the opportunity he has been given.

2. Board Briefings

Chairman Oliveira called on Ms. Meloney Linder, Associate Vice President for Marketing & Communication. Ms. Linder stated that the UTB/TSC Integrated Marketing Committee is made up of representatives from each division who meet on a monthly basis to discuss marketing efforts, promote messages that are consistent with the strategic goals, and encourage collaboration between offices.
She introduced Dr. Maria Hodgson, Assistant Professor for Communications. Dr. Hodgson introduced two students Chelsa Rodriguez and Julianna Sosa who gave a brief presentation. The presentation’s executive summary consists of research, competitive analysis, scorpion traditions council, “I Got Stung”, in-house promotional strategies, social media, and public relations.

3. Executive Session

The Board did not convene in Executive Session.

4. Consideration and Possible Action on Matters Discussed in Executive Session

Discussion of The University of Texas System and Texas Southmost College Educational Partnership Agreement

There was no report given.

5. Speakers to Agenda Items and Public Discussion

There were no speakers.

6. Approval of Minutes of Previous Minutes

Consideration and Possible Action on Minutes of Regular Meeting on April 22, 2010

A motion was made by Mr. Campirano to approve the Minutes of the Regular Meeting April 22, 2010 as presented. The motion was seconded by Mr. Gonzalez and carried unanimously.
7. Board Policy

Consideration and possible action on Second Reading Board Policy V.B.5 – Checks, V.D – Investment, V.F – Purchasing and Bids, V.F.5 – Purchasing and Bids: Level of Approval, and V.I – Travel

Chairman Oliveira called on Dr. Wayne Moore, Special Assistant to the Provost. Dr Moore stated that these policies were reviewed by Juan Mendoza of Long Chilton, LLP and meet or exceed state laws and regulations. He also stated that these changes revise the signature delegation to reflect recent organizational changes so that signature authority for daily operations and other operational activities can continue and to facilitate efficient transition in the future when there are management and/or organizational changes.

A motion was made by Dr. Robles to approve of second reading of policies as presented. The motion was seconded by Ms. Breedlove and carried. Opposed by Ms. Garza. Exhibit “A”

8. Physical Facilities Committee

Report

Chairman Oliveira called on Mr. Campirano to give the report. He reported that the Physical Facilities Committee met on Tuesday, May 11, 2010, and discussed the following items:

Consideration and Possible Action to award a bid for the Oliveira Library window replacement

Mr. Campirano reported the first item discussed was the Oliveira Library window replacement. He stated that Ms. Veronica Mendez, Assistant Vice President for Facilities and Planning reported that as part of the renovation of the Oliveira Library, various building systems were inspected and planned for repair. The inspections demonstrated that various windows on the 2nd floor needed to be replaced. She stated a total of 21 windows are being proposed to be replaced with high impact resistant glass. She reported that two bids were received on time for this project and two others were received late and were not taken into consideration due to policy. She also explained that this project will be funded by restricted insurance allocation in the fiscal year 2010 budget.

A motion was made by Mr. Campirano to award the contract to The John Wyatt Company in the low bid amount of $46,963.57 and to authorize the Associate Vice President for Facilities and Planning to execute the contract as presented. The motion was seconded by Ms. Breedlove and carried unanimously. Exhibit “B”
Consideration and Possible Action to award a bid for Campus Parking Lot Improvements

Mr. Campirano reported that the second item discussed was the campus parking lot improvements. Ms. Mendez explained that upon demolition of the former Resaca Club, the area became available for parking lot improvements. She also explained that in order to take advantage of existing parking surface the plan was expanded to include renovation of existing parking for better flow of traffic. She stated that as part of the parking improvements needs on campus, numerous parking lot repairs where identified. The parking lot repairs were incorporated to this bid proposal to achieve savings by reducing mobilization and overhead expenses; for this reason, the proposal is divided in base bid, alternate one, and alternate two. Ms. Mendez reviewed with the committee the bid results. Ms. Mendez stated that funding for this project will come from the Capital Improvements project list included in fiscal year 2010 budget for Resaca Club parking and demolition. Ms. Mendez informed that after review of the bid proposals, the review committee recommends R&R Paving Co.

A motion was made by Mr. Campirano to award a contract to R&R Paving Co. in the low bid amount of $213,898.82 and to authorize the Associate Vice President for Facilities and Planning to execute the contract as presented. The motion was seconded by Ms. Breedlove and carried unanimously. Exhibit “C”

Consideration and Possible Action on Budget Amendment for Fiscal Year 2010

Mr. Campirano reported that the last item discussed was the Budget Amendments for Fiscal Year 2010. Dr. Moore reported that these budget amendments reflect transfer of funds necessary to fund for Board approved projects and that all projects remain within budgeted amounts. As expenses come in for the various projects, funds need to be moved from the General Fund to the Campus Facilities fund to accurately account for expenses in the current year. These Budget Amendments reflect adequate budget for expected expenses until the end of the fiscal year. Dr. Moore gave a brief explanation of each of the budget amendments.

A motion was made by Mr. Campirano to approve budget amendment #10-005, #10-006, #10-007 and #10-008 for Fiscal Year 2010 as presented. The motion was seconded by Ms. Breedlove and carried unanimously. Exhibit “D”
9. Audit Committee

Report

Chairman Oliveira called on Mr. Gonzalez. He reported that the Audit Committee met on Tuesday, May 4, 2010, and discussed the following items:

Consideration and Possible Action on Proposal for Annual Financial Audit

Mr. Gonzalez reported that the first item discussed was on the selection of external auditors for FY 2010 Audit. Dr. Moore reported that the District received three proposals for the auditing services for the current fiscal year from Pattillo, Brown & Hill, LLP, Long Chilton, LLP and BKD CPA’s & Advisors. Staff is recommending Pattillo, Brown & Hill, LLP as they are highly qualified, presented a thorough and comprehensive proposal and received the highest rating on the staff evaluation matrix. Dr. Moore reported that although the District has had a successful relationship with our current auditing firm, staff is recommending a change. Mr. Gonzalez thanked Long Chilton, LLP and Juan Mendoza for their service.

A motion was made by Mr. Gonzalez to accept the proposal by Pattillo, Brown & Hill, LLP to provide auditor services for Fiscal Year 2010 in the amount of $30,000 with an option to extend each year for up to a maximum of four years as presented. The motion was seconded by Mr. Torres and carried unanimously. Exhibit “E”

Consideration and Possible Action on External auditor fees for Fiscal Year 2009 audit

Mr. Gonzalez reported that the next item discussed was on Fees for the FY 2009 Audit. Dr. Moore stated that the District reported two additional grants, the Texas Workforce Commission Skills Development Grant and the U.S. Department of Commerce Economic Development Agency (EDA) Grant, in fiscal year 2009 which required additional compliance testing and review. Total fees stated in the contract are $32,035, however, consideration of additional fees in the amount of $6,200 for the audit and compliance testing of the additional grants has been requested. Staff is recommending payment for the additional services performed.

A motion was made by Mr. Gonzalez to approve additional fees of $6,200 for audit services performed for FY2009 audit as presented. The motion was seconded by Mr. Torres and carried unanimously. Exhibit “F”
Consideration and Possible Action on Budget Amendment for Fiscal Year 2010

Mr. Gonzalez reported that the next item discussed was on approval of budget amendment for FY 2010. The staff requests for budget amendment #10-004 to adjust expenditures in the General Fund. The budget amendment is necessary to cover expenditures through year end.

A motion was made by Mr. Gonzalez to approve budget amendment # 10-004 for Fiscal Year 2010 as presented. The motion was seconded by Dr. Robles and carried unanimously. Exhibit “G”

Mr. Gonzalez reported that the final item discussed was a report by Dr. Moore regarding change in management. Dr. Moore reported that the Office of Internal Audits will conduct an audit of Partnership Affairs since there has been a change of management. Internal Audits will review the internal controls over the Office of Partnership Affairs regarding the control environment, segregation of duties, approvals and authorizations, safeguarding assets, and monitoring, to provide reasonable assurance that existing internal controls in departments are adequate. Also, they will provide reference materials and guidance that will assist new administrators in developing an adequate system of internal controls in their departments.

10. Contraction Report

Veronica Mendez, Associate Vice President for Facilities and Planning, reported the following:

- Work continues at Oliveira Library. Upgrades to infrastructure of elevator, electrical panels. The A/C units are connected to the thermal plant. All parking spaces are open and landscape is complete.

- Work continues at the Recreation, Education and Kinesiology Center. She reported that the two additional racket ball courts will be complete at the end May 2010.

- Work at the Cavalry Building continues. There have been electrical upgrades and brick work.

- Work continues at Athletic Zone phase I. Construction is in progress. All the connections to the main water and sewer lines have been completed. The prep work for the field has begun.
• Work continues at Science and Technology Learning Center. Water proofing outside is being installed to prepare for installation of bricks. The roof is 50% complete. Completion will be in 2011.

11. President’s Report

Dr. García reported the following:

• UTB/TSC held Commencement on May 15, 2010 and conferred almost 900 degrees and certificates. She also mentioned for Winter and Spring commencement there was a total of 2,100 degrees and certificates awarded. UTB/TSC commencement speaker Luis Ubinas, President of the Ford Foundation, was captivated by UTB/TSC graduates stories. Dr. David Prior, the UT System Executive Vice Chancellor for Academic Affairs, was also at commencement. She also stated that Ana Gaytan was awarded the first associate degree in the new Architecture program. She will be attending UTSA to pursue her bachelor’s degree in architecture.

• UTB/TSC baseball team has had its best season since they joined the NAIA. At the Red River Athletic Conference Tournament, held in Fort Worth in May, UTB/TSC qualified for the NAIA National Baseball Championship Opening Round for the first time.

• UTB/TSC received the Red River Athletic Conference All-Sports Award in all five conference-sponsored sports that UTB/TSC participates in.

12. District Elections

Consideration and Possible Action on Canvassing the Results of the Texas Southmost College District Election

Chairman Oliveira presented the election results for the TSC District Trustee election held on May 8, 2010. The results were read as follows: Place 3: Robert Lopez, 2,979; Robert A. Lozano, 3,029. Place 4: Eduardo Roberto Rodriguez, 2,605; Trey Mendez, 3,571. Place 5: Francisco “Kiko” Rendon, 2,567; Rene Coronado, 1,013; and Rosemary Breedlove, 2,686.

Mr. Oliveira announced that Francisco “Kiko” Rendon and Rosemary Breedlove must engage in a run-off election for Place 5. Dr. Robert A. Lozano was duly elected to Place 3, and Trey Mendez was duly elected to Place 4 by receiving the majority of the votes cast for all candidates for those positions. Mr. Oliveira entertained a motion to accept the results of the Texas Southmost College District Election.
A motion was made by Mr. Gonzalez to accept the results of the Texas Southmost College District Election as presented. The motion was seconded by Mr. Torres and carried unanimously. Exhibit “H”

Consideration and Possible Action on
Order Declaring Results of the Texas Southmost College District Election

On May 8, 2010, an election was held for Place 3, 4 and 5 on the TSC Board of Trustees ballot. Mr. Oliveira read the Order Declaring Results of Texas Southmost College District Election.

A motion was made by Mr. Campirano to adopt the Order Declaring Results of the Election as presented. The motion was seconded by Ms. Garza and carried unanimously. Exhibit “I”

Consideration and Possible Action on
Notice and Order of the Runoff Election of the Texas Southmost College Board of Trustees, Place 5

Dr. Wayne Moore reported that the Runoff Election for Texas Southmost College District Trustees, Place 5 will be held on Saturday, June 12, 2010. Early voting will be held on June 1, 2, 3, 4, 5, 7, and 8th. Dr. Moore addressed the Board recommending some changes to the Notice and Order for the Runoff Election. He stated that the Los Fresnos Community Center currently has a conflict for Saturday, June 5, 2010 for early voting. Staff is recommending that location be moved next door to the Los Fresnos City Hall for that day only. He also stated that there was a conflict at the Brownsville Navigation District Office and is recommending that location be removed from the Notice and Order. Finally, Dr. Moore recommended an additional location, South Padre Island City Hall, for early voting. The voting times will remain the same as in the Regular election.

A motion was made by Mr. Gonzalez to approve Notice and Order of the Runoff Election of the Texas Southmost College Board of Trustees, Place 5 as presented. The motion was seconded by Dr. Robles and carried unanimously. Exhibit “J”
Consideration and Possible Action on Set Date and Time for the Drawing for Place on Ballot

Dr. Moore reported that the Drawing for Place on Ballot has been scheduled as soon as possible, tomorrow, May 18, 2010 at 5:30 p.m. in the Gorgas Tower.

Minutes of the Emergency Meeting of the Board of Trustees

June 1, 2010

The Board of Trustees of the Texas Southmost College District convened in open session on June 1, 2010, at 5:30 p.m., in the Board Room of Gorgas Hall at The University of Texas at Brownsville and Texas Southmost College. Board members present were David Oliveira, Chair; Dr. Roberto Robles, Secretary; Rosemary Breedlove; Adela G. Garza; Dr. Robert Lozano; and Trey Mendez. Also present was Dr. Juliet V. García, President of The University of Texas at Brownsville and Texas Southmost College. Board member René Torres was absent.

Call to Order

The meeting was called to order by Chairman Oliveira at 5:33 p.m.

1. District Election

   Consideration and Possible Action on
   Amended Notice and Order of Runoff Election for Texas
   Southmost College District Board of Trustees, Place 5

Chairman Oliveira reported that when this Notice and Order was first approved by the Board in May, it reflected the state election code which states that City’s must have two twelve hour days during the early voting time period. However, since we are conducting a run-off election and we no longer have a City participating in the runoff, the times were not changed. In the interest of fairness, and to ensure that all early voting locations contain an equal number of hours, staff is recommending to amend the Notice and Order. Dr. Moore informed the board that the recommended changes include changing the times from 8:30 a.m.
to 5:30 p.m. to 7:00 a.m. to 7:00 p.m. on Monday, June 7th and Tuesday, June 8th. On Saturday, June 5th, the time will change to 11:00 a.m. – 5:00 p.m. for the following locations: Cameron County Elections Department, Christ the King Church, Brownsville Public Library, UTB/TSC, South Padre Island City Hall, and the Hon. Benny Ochoa III Annex Building.

The Los Fresnos early voting site hours would remain the same as originally listed in the Notice and Order. These changes provide an equal number of voting hours, including two twelve hour voting days, for every site including Los Fresnos. It also provides a time frame giving 66 hours for each of the early voting sites.

A motion was made by Dr. Robles to amend Notice and Order of the Runoff Election to increase voting time which provides all early voting locations an equal number of hours of early voting as presented. The motion was seconded by Mr. Mendez and carried. Mrs. Breedlove abstained from discussion and vote on this item. Exhibit “A”

Adjournment

The meeting was adjourned by Chairman Oliveira at 5:41 p.m.

**Agenda Item:**
Consideration and possible action on approval of a contract with Design Build Solutions, Inc. TXMAS-4-56060-1 for the Fort Brown Memorial Center Auditorium gutter replacement.

**Rationale/Background:**
Due to the existing deteriorating conditions of the Fort Brown Memorial Center Auditorium roof, a full inspection was conducted to identify potential maintenance items. It was discovered that several roof repairs services were required to comply with the existing campus building roof requirements.

In January 2009, the TSC Board of Trustees awarded a contract to Design-Build Solutions, Inc., a Garland Company for the first phase of the project that included the removal of damage deck and replacement of existing roof in the amount of $402,842.60.

At the request of the Office for Facilities and Planning Design Build Solutions provided a proposal to remove and replace 1,200 lineal feet of gutters and to install four large and twenty three small downspouts on the roof deck of the Auditorium. The attached proposal in the amount of $36,887.00 includes all materials and labor for the construction of the above referenced items.

The proposal was evaluated by Mr. Abraham Hernandez, Physical Plant Director and Mr. Daniel Zuniga, Physical Plant Carpenter Foreman and is recommended for approval.

**Recommended Action:**
A motion to award the contract to Design-Build Solutions, Inc., in the amount of $36,887.00 and to authorize the Associate Vice President for Facilities and Planning to execute the contract.

Subject: Fort Brown Memorial Center Roof Gutter Replacement

A package with a detailed scope of work of roof repair services for the Fort Brown Memorial Center Auditorium was prepared by Physical Plant staff. The package called for a list of general requirements and specifications.

Physical Plant department solicited a proposal from Design-Build Solutions, Inc. a Garland Company in accordance to the TIPS Contract procedures and requirements to remove and replace roof gutters. A proposal from this company was received on May 13, 2010.

The proposal has been carefully reviewed and evaluated by Mr. Abraham Hernandez, Physical Plant Director, Mr. Daniel Zuñiga, Physical Plant Carpenter Foreman and myself. We have checked inclusion of all equipment, scope of work and requested material. Based on this evaluation, we determined that Design-Build Solutions, Inc. is a qualified respondent to this proposal due to cost and experience.

Please accept this letter of recommendation to award the proposal to remove and replace roof gutters at the Fort Brown Memorial Center Auditorium to Design-Build Solutions, Inc. in the amount of $36,887. Funding for this project is from Campus Improvements Funds.

**Agenda Item:**  
Consideration and possible action on approval of a contract with Clean Air Solutions Companies TIPS 08032609 for the South Padre Island Campus Fire Suppression System.  

**Rationale/Background:**  
As part of a request issued by the UTB/TSC Biology Department to renovate the student dormitories at the South Padre Island Campus facility to upgrade classrooms, labs and all areas for dormitories became imperative that the facility be brought up to date with all City, Safety and Health department requirements. One of the requirements by the State of Texas is the installation and operation of a Fire Suppression system.  

The office for Facilities and Planning requested a proposal that included the work described. A proposal was received on June 8, 2010 from Clean Air Solution Companies to install the Fire Sprinkler System in the entire building.  

At the request of the Office for Facilities and Planning Clean Air Solution Companies provided a proposal to install the Fire Sprinkler System for the facility. The attached proposal in the amount of $ 77,750.00 includes all materials and labor for the construction of the above referenced items.  

The proposal was evaluated by Mr. Abraham Hernandez, Physical Plant Director and Mr. Juan Jose Avalos, Physical Plant Special Projects Coordinator and is recommended for approval.

    Associate Vice President for Facilities and Planning  
From: Mr. Juan Jose Avalos  
    Physical Plant Special Projects Coordinator  
Date: June 16, 2010  
Subject: South Padre Island Campus Fire Suppression System

A package with a detailed scope of work for a new complete fire sprinkler system at South Padre Island Building was prepared by Physical Plant staff. The package called for a list of general requirements and specifications.

Physical Plant department solicited a proposal from Clean Air Solutions Company in accordance to the TIPS Contract procedures and requirements to design and install a new Fire Sprinkler System. A proposal from this company was received on June 8, 2010.

The proposal has been carefully reviewed and evaluated by Mr. Abraham Hernandez, Physical Plant Director and myself. We have checked inclusion of all equipment, scope of work and requested material for a turn-key project. Based on this evaluation, we determined that Clean Air Solution Company is a qualified respondent to this proposal due to cost and past performance experience.

Please accept this letter of recommendation to award the proposal to design and install Fire Sprinkler System at South Padre Island Building in the amount of $77,750. Funding for this project is from Campus Improvements Funds.

CAS Companies is pleased to submit this proposal for your review and acceptance to provide materials and labor located at SPI Campus.

CAS Companies is an approved contractor through The Interlocal Purchasing System (TIPS) contract #08032609 whom UTB/TSC would contract with to perform the work described in the scope of work below.

This bid and detailed services are being offered through the Texas Education Code 8.002 Services granted under the Texas Government Code 791.001 et seq as amended. By utilizing the TIPS program, UTB/TSC will automatically be dealing with a Qualified, Professional Contractor that meets the strict requirements. This results in savings to UTB/TSC by reducing the time and expense for the bid process and will allow the work to be performed in a more timely manner.

Scope of Work

Include all labor and material (pendant sidewalks and sprinkler heads), design, equipment and permits needed to install a wet fire sprinkler system as required by the City of South Padre Island Fire Department & The National Fire Protection Association (NFPA 13). Contract will include 70 ft. of underground pipe and trenching through property up to the 70 feet to outside North wall. CAS will construct a BFP Shed on north wall. CAS will repair/or replace any damage sheetrock caused in the installation process work. System will provide existing fire system to interlock with sprinkler system, backflow preventer, and if necessary a pressure stabilizing pump, to manage pressure.

Exclusions

1. Any work outside the scope of work as defined herein;
2. Boring under street if needed;
3. Painting and prepping if pipe (all pipe will be CPVC and orange in color);
4. Adequate Water Supply that come from city;
5. Freeze/Insulation Protection;
6. Fire alarm work and/or Fire extinguishers;
7. Electrical work or wiring and
8. Overtime and/or Holiday Working Days
9. Any unforeseen while any work/or trenching is being done below grade;

Note:
1. This project is a turnkey project everything has been included to complete this project from starting design, installation of sprinkler system with everything necessary to make it function able to the finish work at completion of project.
2. CAS will need to coordinate with owner on working days and or hour availability.

Bid Amount ................................................................. $77,750.00
We appreciate the opportunity to provide pricing as outlined above and look forward to your favorable response. If you should have any questions or require additional information please do not hesitate to contact me at your convenience.

Best regards,

Fred Lee

### Agenda Item:
Consideration and possible action on: Approval of New Academic Programs & Consolidated and Closed Programs

### Rationale/Background:
The Academic Affairs & Research Partnership Committee (AARPC) met on May 10, 2010. Among other items, the AARPC discussed the following new, consolidated and closed programs:

- **New programs**
  - Certificate of Proficiency in Microsoft Certified Application Specialist
  - Certificate of Proficiency in Administrative Management
  - Associate of Applied Science in Business Management and Technology
  - Associate of Science in Science

- **Consolidated and closed programs**
  - Associate of Applied Science in Accounting Technology
  - Associate of Applied Science in Administrative Systems Support
  - Associate of Applied Science in Legal Office Administration
  - Certificate of Proficiency in International Business
  - Associate of Applied Science in International Business

These programs have been approved by the appropriate Department, School/College, and University curriculum committees. The AARPC recommended that these programs be forwarded to the TSC Board for approval.

### Recommended Action:
Motion to approve the new, consolidated and closed programs as presented and direct the Vice President for Academic Affairs to forward them to the Texas Higher Education Coordinating Board for approval.

| Certificate of Proficiency in Accounting Technology | Revision | Reduces the hours required to 18-19 to better serve three populations not currently being served by our 30-35 hour certificates:  
- returning baccalaureate students who are looking for employable skills;  
- current baccalaureate students who wish to fulfill elective requirements with a concentrated certificate of marketable skills;  
- community members who wish to advance in their own organizations by pursuing a concentrated certificate in a discipline.  
According to the Guidelines for Instructional Programs in Workforce Education (GIPWE), a level one certificate should constitute a building block approach toward the AAS with the majority of course credits being drawn from a focused technical specialty. A level one certificate must consist of at least 15 but not more than 42 SCH. |
<p>| Certificate of Proficiency in Medical Coding and Billing | Revision |                                                                                                           |
| Certificate of Proficiency in Legal Assisting     | Revision |                                                                                                           |
| Certificate of Proficiency in Microsoft Certified Application Specialist (MCAS) | New | Bundles all of the software offerings into a single certificate thus allowing students to be eligible to earn a level one certificate from UTB/TSC and a MCAS certificate from Microsoft; this capstone requirement is considered “best practice” for workforce certificates. |
| Certificate of Proficiency in Administrative Management | New | Bundles all of the management offerings into a single certificate.                                                                                                                                                   |
| Associate of Applied Science (AAS) in Business Management and Technology | New | Streamlines program offerings by reducing confusion for students, providing for multiple entry and exit points, strengthening the capstone experiences for students, and consolidating declaration and graduation numbers (see attached). The program format was enthusiastically received by the THECB visiting team and was praised for its flexibility. The student who completes the degree will earn 15 hours of general education credit, two certificates of proficiency, and one AAS degree. |
| AAS in Accounting Technology                      | Closure | Replaces existing program with the AAS in Business Management and Technology giving the student the option                                              |</p>

| Associate of Science in Science              | New     | Creates a degree that will fully articulate with any one of the Bachelor of Science degrees already offered by UTB/TSC. The advantages to implementing this program are as follows:  
  - This program is designed as a “feeder” program to the already existing bachelor’s degrees. Therefore, facilities, courses, faculty, and advisors are already in place.  
  - Students pursuing science degrees who stop out will now have the opportunity to earn an associate’s degree which will improve their job opportunities and will facilitate their return to this institution or their transfer to another institution.  
  - This degree would be fully transferable to other institutions in the state of Texas should a student decide to pursue their bachelor’s degree elsewhere.  
  - This degree will address the issue of time to graduation for science majors by offering a required course sequence. |

**NEW Certificate of Border and Transnational Studies:**

Create a new upper-division certificate in Border and Transnational Studies. The proposed certificate is designed for students pursuing undergraduate and graduate degrees in fields where knowledge of the border is desirable, including business, political science, criminal justice/law enforcement, education, health, environmental studies, social work, and public administration. Students completing the
certificate program will possess useful knowledge concerning the history and context of many border problems as well as knowledge of the institutional means for dealing with them. The program seeks to develop practical knowledge of the workings of cross-border interactions, as well as strategies that can be used to expand knowledge and opportunity, human dignity, the convening of cultures and respect for the environment.

The United States-Mexico Border and Transnational Studies certificate program is an interdisciplinary program integrating border studies courses from academic units throughout the campus. The objective of the program is to train students from diverse academic backgrounds within a multidisciplinary border studies curriculum.
Earn an AAS in Business Management and Technology

Follow these steps:

**Step 1:** Pick one 18-hour certificate in a specialty area. **Step 2:** Complete 12 hours of Applied Business core courses, 18 hours of Microsoft Certified Application Specialist certificate courses, and 15 hours of General Education courses. **Result:** Completion of the Business Management and Technology Associate of Applied Science degree and **two** certificates of proficiency.

POLICY:

A. Purpose

The purpose of this policy is to provide guidelines for the implementation of a policy on the prohibition of tobacco use on the campuses of The University of Texas at Brownsville and Texas Southmost College.

B. Definition

Campuses are defined as all interior space on UTB/TSC campuses, all outside property or grounds of UTB/TSC campuses including partially enclosed areas such as walkways, breezeways and bus shelters. This includes UTB/TSC owned vehicles and all indoor and outdoor athletic facilities, as well as the grandstands of outdoor facilities.

C. Policy

a. Tobacco use will not be permitted in any facility of The University of Texas at Brownsville, effective September 2010, the use of tobacco products (including cigarettes, cigars, pipes, smokeless tobacco and other tobacco products) by students, faculty, staff, and visitors are prohibited on all UTB/TSC properties.

b. The use of tobacco products (including cigarettes, cigars, pipes, smokeless tobacco, or other tobacco products) is prohibited all times.

c. The campus-controlled advertising, sale or free sampling of tobacco products on campus is prohibited.

d. Littering the campus with remains of tobacco products or any other disposable product is prohibited.

e. Organizers and attendees at public events, such as conferences, meetings, public lectures, social events, cultural events and sporting events using UTB/TSC facilities will be required to abide by the tobacco-free policy and procedures. Organizers of such events are responsible for communicating the policy to attendees and for enforcing this policy.

f. Campus organizations are prohibited from accepting money or gifts from tobacco companies.
D. Enforcement

Adherence to the policy cited above is the responsibility of all UTB/TSC students, faculty, staff, and visitors. It is expected that all students, faculty, staff, and visitors to campus comply with this policy. Members of our campus community are empowered to respectfully inform others about the policy in an ongoing effort to enhance awareness and encourage compliance.

E. Review

This policy shall be reviewed every five years by the Texas Southmost College District Board of Trustees.

In an on-going effort to promote a healthy academic setting for our community, The University of Texas at Brownsville and Texas Southmost College proposes to adopt a tobacco-free campus policy effective September 1, 2010. The policy complies with The University of Texas System Board of Regents’ Resolution Regarding Tobacco-Related Health Concerns of June 6, 1991. The moral enforcement of this policy will ensure a healthier environment for our student, faculty, staff, and visitors of our campus.

Publicity Plan:

1) Development of campaign graphic for Tobacco-free Campus for inclusion on publicity
2) Incorporate Tobacco-free campus announcement in Welcome Week information and Student Handbook.
3) Development of web page explaining Tobacco-free initiative linked from News Today including:
   a. Background information on UT System Policy.
   b. UTB/TSC background work with Academic Senate (still waiting input from Staff Senate and Student Government Association)
   c. Open Letter from Dr. Garcia on initiative
   d. E-Mail letter from Student Health Services on benefits of going tobacco-free sent to campus community.
4) Open Letter from Dr. Garcia sent out to campus community convocation week.
5) Announcement of policy by Dr. Garcia in Convocation speech.
6) E-mail letter from Student Health Services regarding benefits of going tobacco-free sent to campus community first week of classes.
7) News Release for website sent convocation week following open letter.
8) PSA promoting Tobacco-free campus on STING Radio.
9) Scorpion Slides promoting Tobacco-free Campus on LCD monitors throughout campus.
10) Pitch story of Tobacco-free campus to The Collegian.
