Report

Mr. Rendon called on Mr. Oliveira to give the report. He reported that the Physical Facilities Committee was not able to meet on Wednesday, January 19, 2011 as planned. There were two items on the PFC agenda for consideration. The first item was a report on the ITECC Leasing Process from Mr. Irv Downing. The item will be presented at the February 2011 meeting.

The second item was: Consideration and possible action on approval of a proposal for locating an IDEA Academy Campus at the ITEC Center. In attendance was JoAnn Gama, Chief Operating Officer, Matt Randazzo, Chief Growth Officer, David Merrill, Board Chairman and Andrew Stanton, Construction Project Manager. Mr. Oliveira called on Mr. Merrill to address the Board. He called on Mr. Randazzo and Ms. Gama to give a presentation to the Board. They stated that a partnership between Texas Southmost College (TSC) and IDEA Public Schools will strengthen the PK-20 pipeline in Brownsville and provide TSC with an annual recruiting class of college-ready high school graduates. IDEA students will benefit from a close collaboration with an institution of higher education, perhaps have access to dual enrollment opportunities, and enjoy the social and cultural opportunities that TSC provides to its students. In short, collaboration between these two institutions is mutually beneficial as they work toward a common goal of strengthening our community. To fulfill this mission, IDEA Public Schools requests that TSC consider leasing ITECC land and interior space to IDEA Academy for its second Brownsville campus. IDEA proposes to improve approximately 100,000 sq. ft. of interior space and improve approximately 6 acre tract of existing parking lot. The improvements include classrooms, laboratories, dining and recreational facilities.
